## THIS IS UNI

Building on a strong tradition of teacher education, the University of Northern Iowa has evolved into one of the finest comprehensive public universities in the country. UNI emphasizes excellence in undergraduate education and offers selected graduate programs at the master's, specialist's and doctoral levels.

UNI's heritage and philosophy place great value on providing a student-centered educational experience. The university offers a learning environment that is small enough to provide students with individualized attention, yet large enough to provide a variety of resources, including distinguished faculty. UNI's special combination of challenge and support is indeed a key ingredient of a "Students First" education.

Today, UNI offers more than 120 undergraduate majors. Outstanding academic programs, many of which are nationally-recognized for their excellence, have been established in the colleges of Business Administration, Education, Humanities and Fine Arts, Natural Sciences, and Social and Behavioral Sciences. In addition, UNI participates in the bachelor of liberal studies program offered by Iowa's Regent Universities and provides classes in centers around the state through the division of Continuing Education and Special Programs.

Recognized as the premier public undergraduate university in the state, UNI is experiencing an increasing demand for its high-quality programs. Enrollment at UNI was 12,513 students in the fall of 2005. Students come from every county in Iowa, and about 94 percent of UNI's undergraduate students are residents of Iowa upon enrollment.

The University of Northern Iowa was founded in 1876 as the Iowa State Normal School. It became Iowa State Teachers College in 1909. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa Legislature changed the status of the institution to that of a university under its present title.

## FACTS & HIGHLIGHTS

- U.S. News and World Report ranks UNI in the top two among public comprehensive universities in the Midwest.
- Kiplinger Personal Finance magazine places us in the top 50 in the nation for best value in public colleges.
- The Education Trust ([www.edtrust.org](http://www.edtrust.org)) named UNI first among peer institutions nationally for overall high performance in graduation rates.

- UNI students are actively involved with more than 200 student organizations, including special interest clubs, sororities and fraternities, religious groups and academic groups.
- UNI is the alma mater of NFL and Super Bowl MVP Kurt Warner, as well as U.S. Sen. Charles Grassley.
- The UNI Wellness/Recreation Center, attached to the north side of the UNI-Dome, features a climbing wall, two pools, a running track, weight and fitness rooms, and courts for basketball, volleyball and racquetball.

# DIRECTOR OF ATHLETICS

## RICK HARTZELL

**RICK  
HARTZELL**  
Director of Athletics

Now entering his eighth year as Director of Athletics at the University of Northern Iowa, Rick Hartzell has overseen unparalleled success and growth for the Panthers athletics program. He was named the university's fourth full-time director of athletics since joining the Division I ranks on August 9, 1999.

Take some time to talk to Hartzell, and his passion for UNI athletics – and college athletics in general – comes across loud and clear. His love for the Panthers should be no surprise, as he was a UNI student-athlete during the mid-70s, and was able to come back home in 1999 to lead his alma mater's athletic program into the 21st century. He also believes strongly in the "student" part of the term student-athlete, and understands the importance of shaping well-rounded individuals for a life after competitive athletics are over.

The list of individual and team athletic successes since Hartzell took over at UNI is long and distinguished. The football team has claimed three conference titles the past five seasons, and advanced to the NCAA I-AA championship game in 2005. The men's basketball team won its first-ever Missouri Valley Conference championship in 2004, and has made three straight NCAA tournament appearances – including at-large bids in both 2005 and 2006. UNI volleyball has won six of the past eight conference championships, and made three appearances in the NCAA tournament's Sweet 16 during that span. Panther wrestling crowned its first Division I national champion in 2000, and has placed as high as 11<sup>th</sup> in the national tournament. Track and field and cross country have claimed numerous conference titles, including the last seven indoor men's crowns, and baseball made its first-ever NCAA tournament appearance in 2001, winning the rugged MVC crown. In fact, no less than 10 sports have seen teams or individuals in postseason action since Hartzell came back to the Cedar Valley.

The success on the field has been a direct result of Hartzell's hiring of quality head coaches during his tenure, many with Iowa and UNI ties. Mark Farley (football), Bobbi Petersen (volleyball), Greg McDermott and Ben Jacobson (men's basketball), Brad Penrith (wrestling), Rick Heller (baseball) and Sachin Kirtane (women's tennis) are among the coaches that Hartzell has brought to UNI, with most garnering conference or regional championships and NCAA postseason appearances.

Off the field, UNI student-athletes have shined academically as well. UNI's overall student-athlete graduation rate is among the leaders in the Missouri Valley Conference and Gateway Football Conference. UNI's overall student-athlete cumulative grade point average has risen dramatically, to nearly 3.0 after the spring 2006 semester for more than 400 student-athletes. The Panthers had numerous student-athletes that earned academic all-conference honors in 2005-06.

UNI's overall athletic success has been a constant under Hartzell. The Panthers have ranked in the top 100 of the U.S. Sports Academy Director's Cup standings six of the past eight seasons, including twice in the top 70. UNI is consistently among the top schools nationally in the all-sports rankings among those that sponsor I-AA football.

Hartzell has been a key figure involved in several facility upgrades, including the development of the McLeod Center, which will open this winter. When completed in November, it will house the men's and women's basketball

programs, and volleyball and wrestling teams. In addition, Hartzell has overseen the effort to turn the UNI-Dome and future McLeod Center into an economic development site for the Cedar Valley, by garnering concerts and other special events to campus. Other key fund-raising initiatives include the construction of a new football locker room, weight room, and enhancements to the outdoor track. Plans are also moving forward for a Human Performance Center located to north of the UNI-Dome, as well as a new football locker room and strength and conditioning center.

Another key effort spearheaded by Hartzell was UNI's radio and television agreements. Panther football and men's basketball has local television contracts for TV with KFXA (Fox 28), and for radio with KXEL (1540 AM), each of which was renewed for multiple years in 2004. UNI women's basketball and volleyball is currently carried by KWLO (1330 AM) radio, and is one of the only schools in the Midwest to have a regular-season home for volleyball.

Hartzell has helped guide the university through the NCAA's certification process, and overseen the addition of women's soccer to varsity status. He was a key player in the recent cooperative merger with UNI's Health, Physical Education and Leisure Services (HPELS) department, bringing the athletic training and strength and conditioning programs under one umbrella with the university.

A past president of the Gateway Football Conference athletic directors, he is currently vice-president of the Missouri Valley Conference administrators. He also serves as chair of the MVC sportsmanship committee, as well as serving as a member of the officiating committee and the centennial celebration committee. He recently received the All-American Football Foundation's General Robert Neyland Outstanding Athletic Director Award. In addition, Hartzell is a highly-respected NCAA Division I men's basketball official, having worked games for the ACC, Big Ten and Conference USA among other conferences, and officiated numerous NCAA tournament games.

Prior to being named at UNI, Hartzell had served as director of athletics at Bucknell since 1988, directing a Division I program with 1-AA football consisting of 28 sports. Prior to his appointment at Bucknell, he was Director of Athletics and Chairman of Physical Education and Recreation at the University of Maryland-Baltimore County from 1985-88, directing a 19-sport program which moved from Division II to Division I during his tenure.

Hartzell played football and baseball for the Panthers. He received his bachelor's degree in physical education and english from UNI in 1974, and his master's in educational administration in 1977. A native of Klemme, Iowa, he was a five-sport letterman at Klemme High School. Hartzell's personal interests include reading, fitness, auto racing and spending time with family and friends. He has two children -- Nate, 25, and Amanda, 24. He and his wife, the former Jill George, a Doctor of Chiropractic, reside in rural Cedar Falls.

# TRADITIONS

## NICKNAME

It was 1931. The Northern Iowan student newspaper was called The College Eye. Cheerleaders were men and the UNI Panthers were known as the Iowa State Teachers College Tutors.

In the fall of that year, a contest to change the name of the school's athletics teams was sponsored by The College Eye and the men's Physical Education Department.

The winning name was the "Purple Panthers", submitted by Burl Berry of Wellman, Iowa, and that's the name that has guided UNI teams for more than 70 years.

Berry, who also happened to be that season's football MVP, won a briefcase from Berg Drug Company. The second-place winner received an alarm clock.

It also is known that the third-place name was the "Purple Grackles", submitted by students living in the same rooming house.

## SCHOOL SONGS

### Panther Fight Song

"Hail Our Panthers, we are ever loyal,  
"Showing strength and unity.  
"As we rise, we firmly stand behind you  
"Urge you on to victory, Rah! Rah! Rah!  
"As you lead us on to fame and honor  
"Fight! Fight! Fight! Will be our cry.  
"So give us a yell, Ho! The Purple and the Gold,  
"Victory for UNI!"

### UNI Alma Mater

UNI O Alma Mater  
Hear our voices now in song;  
Hail to thee, O state of plenty,  
Thou has raised it proud and strong.

(Refrain)

True in spirit, strong in knowledge  
UNI, we sing our homage.  
Hail to thee, O Alma Mater  
Our tomorrows shall be thine.

From thy hallowed halls of learning,  
Rising from the fertile land;  
Guide to fame thy sons and daughters,  
In the pattern of thy hand.

(Repeat Refrain)

## PANTHER MARCHING BAND

The UNI Panther Marching Band celebrated its 100-year anniversary in 2000. It all started in 1900 when eight students formed a Cadet Band, which performed for local events on campus and in downtown Cedar Falls. By 1929, under the direction of Myron Russell, the marching band numbered

120 men and women, and quickly was gaining prominence as a quality university marching band. In the years to follow, the band has been guided by an eminent list of directors, including Russell, Karl Holvik, Don Wendt, Jim Coffin, Paul Brizzi, Ashley Alexander, Paul Smoker, William Shepherd, John Vallentine, Dr. John Baker, and Christopher Woodruff.

Known for a classy and professional approach to performance, the band is recognized across the Midwest for its dynamic style, innovative drill and sensitive musical interpretation. The ensemble continues to thrill audiences at home football games in the UNI-Dome, as well as during road trips to other universities and NFL stadiums. The sounds of the "Panther Marching Band" can be heard on several CDs.

The band's pre-game and halftime shows contain hundreds of active frames or "moving sets" for the individual members of the band, coordinated to exciting music written by some of the leading arrangers in the country. Central to these field performances are sophisticated routines by the UNI Flag Line and Feature Twirlers, as well as professional dance choreography by the UNI Dance Team.

## KEYS JINGLE

A different kind of music can be heard at football games as the Panthers put the ball into play. Jingling keys by fans await the opponents at each kickoff.

## ILLUSTRIOUS HISTORY

Cedar Falls, IA, is the home of one of the finest I-AA football programs in the nation. It is also home of one of the nation's premiere institutions of higher learning. Friends and fans of the UNI football team can relate many successes from the past century and more, but the last 25 years has produced some of the most exciting and successful seasons in history. There is no question the UNI football program arrived as a national power during the 1980s and it has seen continued success.

- |      |  |

| 1895 | First collegiate season.   |
| 1936 | The Panthers embarked on their first full season of competition in the North Central Conference.   |
| 1939 | The new Iowa State Teachers College Stadium was used for the first time on September 23 when Northeast Missouri State Teachers College invaded the local field. The Stadium was 300 feet long and 30 rows high and seated more than 6,000 fans. A permanent band shell, seating more than 100, and a press box handled a few more. |
| 1940 | A new electric scoreboard and clock was added to the ISTC Stadium. It was constructed so it could be dismantled and used for basketball and wrestling during the winter season.  |
| 1948 | Night football became a reality at ISTC. Ninety-six seal beam lights were used for illumination, 12 on each of eight poles. Cost of the lighting system was about \$12,000. Two of the Panther home games were under the arc lights – October 2 vs. Drake and October 16 vs. Western Michigan.                                     |
| 1976 | The Panthers played their first season in the UNI-Dome, hosting Northern Michigan September 4.   |

| 1981 | UNI moves up to the NCAA I-AA level.   |
| 1985 | The Gateway Conference, previously an all-women's league, added a football division. The Panthers advance to their first I-AA national semifinal game, losing to eventual national champion Georgia Southern, 40-33.   |

| 1996 | The Panthers finish 12-2 overall and defeat Eastern Illinois 21-14 and William & Mary 38-35 in the first two rounds of the playoffs before losing 31-14 at Marshall in Head Coach Terry Allen's final season.  |
| 2001 | The Panthers advance to their fifth I-AA national semifinal game and end the year ranked fourth in the nation in head coach Mark Farley's first season.  |
| 2003 | UNI makes a return trip to the I-AA playoffs after capturing a share of its 11th conference title.   |

# ACADEMICS

## WHY UNI?

- Students describe UNI's professors as positive and upbeat, dedicated, innovative, personal, down to earth. UNI's 850 faculty members include Fullbright Scholars, world-class teacher/researchers, best-selling authors and international business consultants.
- Small classes. UNI prides itself on small class sizes and a favorable faculty-to-student ratio. Lower division classes, which include general introductory courses and/or Liberal Arts Core courses specific to a major, have an even lower average of 27 students.
- One-on-one time with faculty -- after class, in research projects, extracurricular opportunities, or clinical or field projects.
- Student services to help insure academic success.
- The UNI Honors Program, which provides academically-motivated students with challenging classroom experiences, close ties with faculty, interactive discussion and social connections with other capable students.

## ACADEMIC ADVISING SERVICES

Academic Advising Services provides a variety of services to help students achieve their personal, career, and academic goals at UNI.

Professional and peer advisors help students:

- clarify life/educational goals
- utilize University resources
- select appropriate courses
- resolve academic difficulties
- interpret institutional academic requirements

The Reading/Learning Strategies Program provides many services for students, including free four-week courses in:

- Speed Reading
- Effective Study Strategies
- Study Reading

## CENTER FOR ACADEMIC ACHIEVEMENT

The Center for Academic Achievement is a student service organization. Its goal is to provide all students with the assistance necessary to develop or polish the academic skills that are essential to the pursuit of a college degree. The services are threefold:

- reading
- writing
- mathematics

## EDUCATIONAL OPPORTUNITY PROGRAM

The mission of the Educational Opportunity Program is to provide supportive services which are essential for the identification, recruitment, retention and graduation of minority and educationally disadvantaged students who traditionally have not had equal access to higher educational institutions. These services are provided to participants:

- academic & career counseling
- tutorial services
- financial aid counseling & advising
- personal counseling
- course selection & registration
- educational planning

UNI strives to offer all the advantages of a smaller college, but with the resources of a larger university. UNI prides itself on classes taught by experienced faculty (not teaching assistants), an easily navigated campus and small classes -- as would a small college. But UNI also is proud of the fact that, unlike small colleges, it has around 850 faculty members with a wide range of experiences, views and philosophies.

Football athletes meet weekly with a Student Services Counselor and their position coach. First-year football players attend study hall in the Center for Academic Achievement their freshman year.

# STRENGTH & CONDITIONING

## STAFF

### JED SMITH

Strength and  
Conditioning  
Coach

Jed C. Smith is entering his second season as the Strength and Conditioning Coach for the UNI

Panthers. Smith joined the UNI coaching staff in June 2005.

In the spring of 2006, Smith coached current UNI football student-athlete Jason Fiacco when he took part in the 2006 Pan American Junior Championships in Cali, Colombia. Fiacco qualified for the event at the United States National Junior Championships on March 15 in Altamonte Springs, Fla. Fiacco placed second in both the Snatch and Clean & Jerk heavyweight competitions. Fiacco lifted 138 kg in the Snatch and 178 kg in the Clean & Jerk.

Prior to his work with the Panthers, Smith served as the Explosive Strength Training Coach for the National Football League's Minnesota Vikings from February 2004 to June 2005.

Smith has a wide and varied background in strength and conditioning training. In addition to his work with the Vikings, he also assisted the Minnesota Wild of the National Hockey League, the Minnesota Thunder of the United Soccer League and Penn State football in an effort to incorporate explosive strength training into their individual programs.

Beginning in June of 2002, he was an Exercise and Sports Science instructor at Dakota County Technical College in Rosemount, Minn., and also served as the Minnesota USA Weightlifting Regional Training Center director during the same time frame.

Prior to 2002, he had several coaching assignments at Rosemount High School beginning in 1996, including ninth grade boys basketball and wrestling. He served as Rosemount's strength training and conditioning coach for all sports from 1997-2002, was head boys tennis coach from 2000-2002, and coached the school's Olympic weight lifting from 1999-2002.

Smith earned his bachelor's degree in social science from Minnesota-Morris in 1994 and a second bachelor's degree in psychology in 1995. He received his master's in education with an emphasis in strength and conditioning from Hamline University in 2003.

He was born in Cedar Rapids, Iowa, and his wife's name is Tammy.

The UNI Strength and Conditioning program is a blend of science, technology and one-on-one attention to each student-athlete.

Throughout the year, UNI athletes can spend more time working on strength and conditioning than any other aspect of their game. During the off-season, athletes work on strength improvement, speed, power, agility and conditioning. The in-season program is devoted to continuation of strength gains and performance-related conditioning.

Throughout an athlete's first year on campus, baseline measures of strength, speed, power, agility, flexibility and endurance are collected. Measure of body composition and weight also are recorded. With this information, goals are set for development and maintenance. Programs are established for each player.

# SPORTS MEDICINE

The demands of the Gateway Football Conference as well as one of the most competitive non-conference schedules in the country place tremendous stress on an athlete's body.

The UNI sports medicine program features top-rate facilities and the outstanding services of sports and health care professionals.

The sports medicine program focuses on injury prevention. Staff members utilize Merac strength-testing devices, provide dietary analysis, measure physiological capacity and outline programs to improve an athlete's flexibility.

Athletic trainers and physicians work together to design rehabilitation programs for injured athletes. A wide variety of facilities and equipment, not only in the Sports Medicine Lab but in the Wellness and Recreation Center, including swimming pools, Merac equipment, Stairmasters and various exercise bikes, help athletes rehabilitate injuries and minimize the loss of fitness during recuperative time.

## Student-Athlete Assistance Program (SAAP)

The University of Northern Iowa SAAP provides confidential, professional, and voluntary assistance and support to student-athletes regarding personal problems that are adversely affecting their academic or athletic performance.

Educational programs also are offered to prevent problems and promote the general well being of student-athletes. The SAAP offers education and assistance regarding alcohol/drug problems, emotional problems, family difficulties, health/physical problems, financial and legal problems and eating disorders, among others.

To ensure the SAAP's effectiveness and protect students' rights, the following guidelines govern the program:

- The academic or athletics status of the student will not be jeopardized by the student seeking assistance.
- The program must protect the privacy of the student by employing strict confidentiality measures. Any details of communication between students and Core Committee members or Athletics Department personnel may not be disclosed to any source without the prior written consent of the student-athlete.
- The decision to use the program must be voluntary.
- Unless the student-athlete consents otherwise, the person making a referral to a source of assistance at a student-athlete's request may disclose only the following information: how the student was referred to SAAP, and the reason for the referral.

The UNI-Dome, a unique, multi-purpose athletic facility built in 1976, has gained a reputation as one of the finest collegiate facilities in America. The Dome combines the features of a field house, football stadium and large auditorium. It contains accommodations for a variety of events, such as concerts, exhibitions, trade shows and convocations, in addition to football, basketball, softball, wrestling and track events. It has been the host site for NCAA football playoffs, gymnastics and wrestling championships, high school football and basketball, the Iowa high school football playoffs, was the site of the 1997 NCAA national wrestling championships, and was the site twice for the International Superstars Track and Field Invitational, featuring several world-class athletes.

The Dome's versatility allows for football and basketball games or track meets to be held the same day. Underneath the artificial football turf on a synthetic floor area are basketball and tennis courts and an eight-lane, 200-meter oval running track.

The turf was replaced 14 years ago with a new AstroTurf manufactured by Balsam Corporation, the same material that lasted 16 years prior to the installation of the new. It's a premier surface which has been utilized by every Dome facility in North America with the exception of one and offers the best durability and playability of any material on the market. The former air-supported, teflon-coated fabric roof was replaced eight years ago with a permanent structure.

Approximately 16,400 spectators can be seated for football games and track meets and, although normal capacity is 10,000 for basketball, seating can be expanded to over 20,000. For stage productions such as concerts, total capacity can reach 25,000.

The University, the community and the entire state of Iowa celebrated the UNI-Dome's 25th anniversary in 2001.

## SHERIFF FIELD NAMED AFTER STAN SHERIFF

The UNI-Dome has been the home of the Panther football program since 1976, but the field itself was named Sheriff Football Field in the spring of 1993 in honor of UNI's former football coach and athletic director. Stan Sheriff was head football coach from 1960-82. He also served as athletic director from 1970-83. From UNI, he went on to become athletic director at Hawaii, a position he held until dying of an apparent heart attack January 16, 1993, in Honolulu at the age of 60. Sheriff has been credited with the primary vision for the multi-purpose facility and has been given the most credit for getting the building constructed. At the time of Sheriff's death, Fred Lewis, a staff columnist for The Honolulu Advertiser, wrote, "His (Sheriff's) diesel drive and far-reaching vision helped the (Hawaii) program scale milestone heights, all the while doing the near impossible in intercollegiate athletics today, operating inside the rules and in the black...Where others saw things as they had been or were, Sheriff was able to see them as they would be and plan accordingly... This was, after all, a man who in his previous job as athletic director at Northern Iowa sold the concept of a 16,800-seat, air-supported domed stadium to a disbelieving town." Former head football coach Terry Allen, who played for Sheriff, said, "Without what Stan Sheriff did, none of us at UNI would have what we have today."

## THE HUMAN PERFORMANCE CENTER

Quality field experiences and a strong training regimen are hallmarks of a UNI education. These standards and yet another exciting opportunity for community partnership lie at the heart of a new Human Performance Center being proposed as part of a facility adjoining the west side of the Wellness Recreation Center.

The HPC will enable students and faculty from UNI's School of Health, Physical Education and Leisure Services to collaborate with area medical professionals on a daily basis. The HPC will house several of the School's academic, research and public service programs, including the National Program for Playground Safety, Camp Adventure Youth Services, Global Health Corps and Youth Agency Administration.

The new facility also will have a Sports Medicine Center, including office and treatment spaces for physicians and therapists that will play a vital role in UNI's fastest-growing athletic training major. The HPC, in conjunction with the proposed UNI strength and conditioning facility which will be located at the north end of the UNI-Dome, also will serve UNI's intercollegiate athletics programs by creating classrooms, coaches' offices, team rooms, conference rooms, training facilities and locker rooms for player development activities, including strength conditioning, nutritional advising, and agility/speed activities.

# FACILITIES

## THE MCLEOD CENTER

It is impossible to imagine the UNI campus without the UNI-Dome. It began merely as a dream. Today, this facility stands as visible evidence of the dedication of alumni and friends who have helped build the facilities UNI students and programs deserve.

Ground was broken for the new McLeod Center in the fall of 2004. It will be a facility specifically built for the Panther volleyball and basketball programs, will provide year-round training opportunities, will be attached to the south end of the UNI-Dome and together with the Wellness and Recreation Center, will complete a state-of-the-art athletic and recreation complex. Seating capacity of 7,000 will accommodate sports, concerts, exhibitions and other community events.

The Center will provide a focal point for students, faculty, staff, alumni and the community to come together to cheer the Panthers, will bolster the image of the university as a premier performance center, and will ensure continued success and growth of UNI's student-athlete tradition.

## THE OUTDOOR TRACK COMPLEX

UNI's outdoor track complex was completed in time for the Panthers to host the 1998 Missouri Valley Conference Outdoor Track and Field Championships. The Panthers hosted that event once again in 2002 and this past spring.

## WELLNESS/RECREATION CENTER

This \$18.3 million facility, attached to the north side of the UNI-Dome, opened in the fall of 1997. It features the highest climbing wall in the Midwest, two pools, a running track, weight and fitness rooms, and basketball, volleyball and racquetball courts.

## THE WEST GYM

The West Gym served as the home to the Panthers' wrestling, women's volleyball and women's basketball teams. All three will move into the McLeod Center this November when construction is complete. The West Gym was remodeled seven years ago with a new floor, locker rooms and lower bleacher seating.

# 2006 PREVIEW

The University of Northern Iowa football team raised the bar of expectations after reaching the NCAA I-AA national title game in 2005. The 2006 Panthers will look to take that next step and bring home the program's first national championship this season.

The Panthers will also look to shake a trend under sixth-year head coach Mark Farley of winning the Gateway Conference crown every other season. UNI won or shared the league title in 2001, 2003 and 2005. Farley has compiled a mark of 44-20 over his first five seasons at the reins of the UNI program.

"We had a tremendous run last season that brought so many Panther fans together," Farley said. "We had a quality senior class graduate. But we also have a lot of quality players coming back from last year's team. We have some great players coming back with championship experience and we want to make sure we give them every opportunity to go back to Chattanooga."

Overall Farley was pleased with how the Panthers performed during sprill drills.

"The word we kept using this spring was competition," Farley said. "We had a lot of competition at quite a few different positions because of losses due to graduation. Competition always makes you better and when you have starting slots up for grabs that brings out the best in practice. Guys that have redshirted in the past are going to get their time to shine this season. We did make progress this spring but there is still work that needs to be done when we come back in August."

The Panthers return 32 letterwinners and 12 total starters from last year's 11-4 squad. UNI will take advantage of returning four starting offensive linemen and its starting quarterback – Walter Payton Award candidate Eric Sanders. Senior Dre Dokes will lead the defensive unit as he brings 11 career interceptions into the 2006 season.

Maybe even more importantly the Panthers return senior placekicker Brian Wingert. Wingert provided the winning margin in each of the three playoff victories in 2005. Wingert is also only 51 points away from becoming the Panthers' all-time leading scorer.

"It seems like every year breaks play a huge factor in the playoffs," Farley said. "It will be a challenge to repeat the success of last season. We will build from the momentum and rely on our experiences." But we will approach it just like we do any year. We want to win the Gateway Conference and put ourselves in position to host some playoff games. If you put yourself in the best possible position and the breaks go your way, you have a chance to put together something special."

## OFFENSE QUARTERBACKS

With junior quarterback Eric Sanders under center the Panthers simply win. Sanders has compiled a 16-4 record as a starting quarterback for the Panthers over his first two seasons. Sanders put together a tremendous run to conclude the 2005 season after missing parts of three games with an ankle injury.

Sanders was injured against Missouri State on Oct. 8 and returned to the lineup against No. 11-ranked Youngstown State with the Panthers' season hanging in the balance. Sanders guided the Panthers to seven straight wins

en route to reaching the I-AA national title game. Sanders passed for a I-AA postseason best 1,113 yards and seven touchdowns.

In leading the Panthers to the national championship, Sanders led the Panthers past three of the nation's best I-AA quarterbacks. Sanders and the Panthers scored postseason wins over Texas State's Barrick Nealy, New Hampshire's Ricky Santos and Eastern Washington's Walter Payton award-winning Erik Meyer.

"There are a lot of positives about our team and being able to have Eric Sanders back at quarterback not only for this season but two seasons is great," Farley said. "Eric has done a tremendous job, as his numbers indicate, but the challenge for him is to keep improving because he has yet to reach his potential."

Should the Panthers need to relieve Sanders the task will fall upon three young signal callers. Sophomore Nick Nelson and a pair of redshirt freshman in D.P. Eyman and Patrick Grace will battle for the backup quarterback position.

"Nick and D.P. got the majority of the snaps this spring so they could develop if we need them go play productive minutes this fall," Farley said. "Patrick had an injured wrist and missed most of the spring. All three have been around the program for at least a year, and two years for Nick, and they understand the importance of a backup quarterback. Because you are always just one snap away from having to go into the game."

## OFFENSIVE LINE

Another strength heading into the 2006 season is the Panthers' offensive line, which returns four starters from a year ago. The returning starters include junior guard Barrett Anderson, senior tackle Joe Lobdell, senior guard Tyler Rawlins and junior tackle Chad Rinehart. The Panthers' offensive line has opened running lanes and holes for five straight 1,000+ yard rushers.

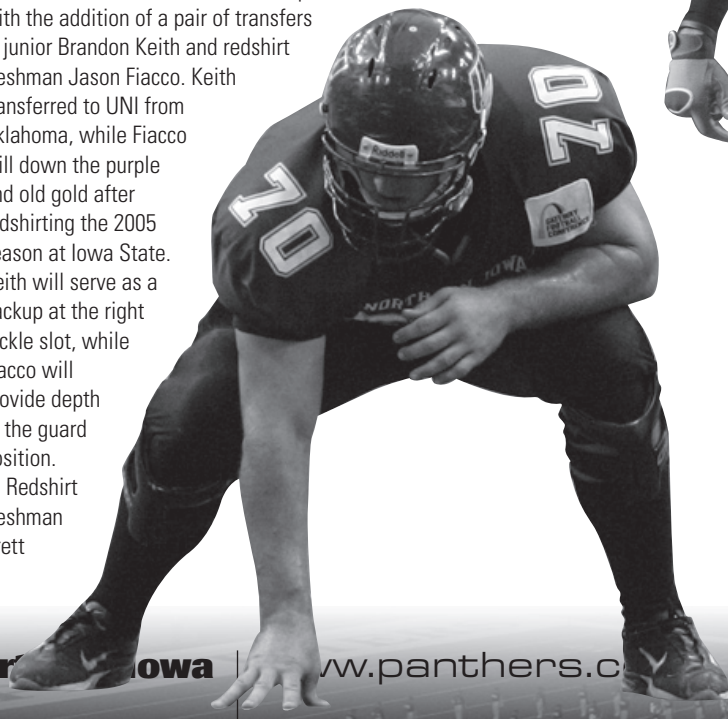

"The offensive line showed quite a bit of development this spring and will be a major strength for us this fall," Farley said. "Unfortunately, Rawlins missed the spring because of a torn muscle but allowed us to build some depth on the line as well."

The only player to graduate on the offensive line was center John Schabillon and junior Eric Hoffman is expected to take over his starting slot.

With all the injuries that occurred down the stretch last season, Hoffman actually started at center in the national championship.

The Panthers also added some depth with the addition of a pair of transfers in junior Brandon Keith and redshirt freshman Jason Fiacco. Keith transferred to UNI from Oklahoma, while Fiacco will down the purple and old gold after redshirting the 2005 season at Iowa State. Keith will serve as a backup at the right tackle slot, while Fiacco will provide depth at the guard position.

Redshirt freshman Brett

# 2006 PREVIEW

Bergman and sophomore Levi Whitmire will look to see some spot action on the right side of the line in backup roles.

Senior Kyle Newlin and redshirt freshman Austin Steichen will look to see time at the left guard spot. Sophomore Bob Swift and junior Adam Falk will backup the left tackle position.

The Panthers also added a trio of freshman in Jordan Limbaugh, Ross Hageman and Austin Zlab to the offensive line in the 2006 recruiting class. All three are expected to redshirt this season.

## WIDE RECEIVERS

The Panthers return only two of its top nine receivers in terms of receptions from last season, so Farley made that a significant portion of the recruiting focus in the offseason.

UNI will look to replace Justin Surrency (47 rec., 663 yds. 7 TD), Patrick Hunter (35 rec. 652 yds., 5 TD), Jamie Goodwin (27 rec., 576 yds., 4 TD) and Jason Breeland (24 rec., 274 yds.) this season.

"We lost some very significant individuals from our 2005 receiving corps," Farley said. "That is why we put so much of an emphasis in the short time we had from the end of the championship game until signing day on Feb. 1. But even with the limited amount of time we were dealt, we have added some talented guys for Sanders to throw to."

The top two returning wide receivers include a pair of seniors in all-academic Gateway selection James Lindgren and Curt Bradley. Lindgren caught 27 passes for 336 yards and a touchdown, while Bradley caught 14 passes for 176 yards and a score in 2005.

Despite making only a single catch in 2005, sophomore Johnny Gray will look to have a bigger role in 2006. Gray kept the Panthers' season alive with a 70-yard punt return for a touchdown in a 23-20 double overtime win at Western Kentucky.

Junior Terrell Allen could be the Panthers biggest import of 2006. Allen transferred to UNI from the University of Pittsburgh. Allen was a SuperPrep All-American in high school in the state of South Carolina.

"Allen is a bona-fide speed receiver," Farley said. "He will have an immediate impact this fall and will help fill the holes left by graduation."

Farley also indicated that Panther fans could see junior Albert Daniels III and a trio of freshmen including Dominique People, Maurice Turner and Victor Williams on the field as well.

## TIGHT ENDS

UNI will look to replace starter Brian Cutright, who tallied 23 catches, 328 yards and three touchdowns last season. The Panthers will turn to senior Ross Hannam and a trio of redshirt freshmen to take care of the tight end duties.

Hannam caught four passes for 27 yards last season after making the transition from the defensive side of the ball.

Austin Howard, Sam Peterson and Joel Gilson will all battle for time after sitting out the 2005 season. Howard was also a member of the UNI basketball team at the conclusion of the Panthers' football season. Gilson caught the lone touchdown pass of the spring game, an 18-yard toss from Nick Nelson.

"It's always tough replace a senior captain, but we have the guys in place with Hannam, Howard and Peterson to get that done," Farley said.

## RUNNING BACKS

UNI caught a glimpse of the future last season in the final home game when Corey Lewis broke out with a career-high 112 yards against Northern Arizona.

Well the future is now for Lewis as he steps into the starting role after both David Horne and Terrance Freeney shared the backfield last season as seniors. Horne rushed for 1,141 yards — the fifth straight season a Panther back has rushed for more than 1,000 yards. Freeney was a two-time 1,000+ yard back in both 2003 and 2004.

Lewis rushed for 282 yards and two touchdowns and caught one pass for 13 yards as a redshirt freshman.

"We had two great backs last season in Horne and Freeney," Farley said. "But what we saw in Corey Lewis at the end of last season gives us confidence that we can still run the ball effectively this year."

Backing up Lewis will be redshirt freshman Derrick Law, junior transfer Darian Williams and true freshman Taylor Brookins. Law rushed for a game-high 41 yards on 13 carries in the Panthers' annual spring game.

## FULLBACKS

The Panthers will have a three-headed monster at fullback this fall. Junior Matt Garvin will likely be the starter but expect UNI to use seniors Grant Zielinski and Josh Firstley.

Garvin served as a solid running option in the spring game as he tallied 36 yards on only nine carries.

## DEFENSE

### DEFENSIVE LINE

UNI returns only one starter on the defensive line from last season. The Panthers must replace Charles Johnson, Mike Matthes and Kevin Stensrud.

"We are going to be young on the defensive line but I'm confident in the guys we have in place to plug the running lanes and put pressure on the opposing quarterbacks," Farley said.

Some of the youth on the defensive line will come from junior defensive end Jordan Lacy and sophomore defensive end Mark Huygens. Both are expected to start after seeing significant time last season as reserves. Lacy tallied 32 tackles and 2 ½ sacks, while Huygens notched 19 tackles and 3 sacks.

The Panthers lone returning starter is sophomore Everette Pedescleaux. Pedescleaux saw action in 12 games and notched nine total tackles. Pedescleaux made one of the biggest plays of the season against Western Kentucky when he blocked a potential game-winning field goal to force overtime and eventually led to the Panthers' 23-20 double-overtime victory.

"You look back to so many crucial plays down the stretch last season, but if Pedescleaux doesn't block that kick we are not even in the playoffs," Farley said.

Redshirt freshman Chuck Kinney and Pedescleaux are expected to clog up the middle of the defensive line.

Farley expects senior Nick Pauly and redshirt freshmen Nate Lane, Wes Lane, Nate Herring and James Ruffin to provide depth on the defensive line.

### LINEBACKERS

The biggest question mark from 2005 to 2006 will be if the Panthers can replace its three starting linebackers. UNI will have to find replacements for Darin Heideman, Brett Koebecke and John Hermann.

Heideman led the Panthers with 132 total tackles in 2005 and also racked up 13 tackles-for-loss. Koebecke ranked third on the team in stops with 115 and also notched 4 ½ quarterback sacks and two interceptions. Hermann was a monster pass rusher as he tallied 20 ½ tackles-for-loss and 13 sacks.

"Anytime you lose three players of that caliber it's going to be tough but that is why you develop depth so the younger players can step up and make the most of their opportunities," Farley said.

The three likely starters heading into the fall include senior Dave Schratz, junior Brannon Carter and sophomore Justin Kirk. All three saw plenty of action in last season's run to the I-AA title game.

Schratz ranked ninth on the team with 43 total tackles. Lacy was credited with 32 stops and 2 ½ sacks. Carter raked in 14 tackles.

The backups heading into the fall are two seniors in Nick Davis and Andrew Williams; junior Araf Evans-Sykes; redshirt freshmen Osayi Ehigiamusoe and

Josh Mahoney; and freshmen Joshua Davis, Tyler Epstein and Jamar Thompson.

Ehigiamusoe was named the Scout Team Defensive Player of the Year in 2005.

### DEFENSIVE BACKS

Despite the loss of six starters in the front seven, UNI's defensive backs will anchor the defense with talented returners at three of the four spots. Returning starters are senior cornerback Dre Dokes, senior free safety Matt Tharp and junior strong safety Chris Parsons.

UNI must replace its defensive MVP from last season in Tanner Varner. Varner tallied 102 tackles, 13 ½ tackles-for-loss, 11 pass breakups, 4 sacks, 3 interceptions, 2 forced fumbles and 2 fumble recoveries.

"Tanner was the heart and soul of last year's defense with his hard-hitting and leadership abilities," Farley said. "But I think with the core we have returning and the upperclassmen in the defensive backfield this group will be just as effective."

Dokes has nabbed 11 interceptions over his first three seasons in a Panther uniform and will be a fourth-year starter at cornerback in 2006. Dokes was a second-team all-Gateway selection as a junior.

Tharp has a nose for the ball and can play through pain as he showed last season in the national semifinals against Texas State. Playing with a broken bone in his hand, Tharp clinched the UNI's first trip to the national championship game with an interception in overtime to give the Panthers a 40-37 win over the Bobcats. Tharp tallied 31 tackles last season.

Parsons is one of the squad's hardest hitters and is not afraid to put his body 6'1 183-pound frame into opposing backs and receivers. Parsons ranked fourth on the team last year with 95 tackles. Parsons also racked up three fumble recoveries and two interceptions.

Senior Curtis Cooper is expected to join the starting lineup at the other cornerback slot. Cooper had 55 tackles and four pass breakups last season.

Senior Alphonso Key and junior Nick Alvarez will also see action at cornerback. Twins Sean McMoore and Terrell McMoore will likely serve as reserves at the corner slots along with a pair of true freshmen in William Baker and Wesley Williams.

Senior Ryan Manahl and junior Clifford Waters will serve as backup safeties. True freshman Will Lewis could also see action at safety if he does not redshirt.

# 2006 PREVIEW

## SPECIAL TEAMS PLACEKICKER

Senior Brian Wingert enters his senior season with 242 points and needs only 59 more points to become the school's all-time leading scorer. Wingert drilled 16 field goals last season, including a I-AA championship game record 50-yard field goal against Appalachian State. Wingert also set the UNI single-season PAT record with 51 extra points in 2005.

"Brian made clutch kick after clutch kick last season in our playoff run," Farley said. "He is exactly the kind of guy we want out there with the game on the line."

Should the need arise Nathan Rausa will serve as Wingert's backup after redshirting last season.

## PUNTER

Senior Adam Kos was an honorable mention all-Gateway selection last season after averaging 39.8 yards per punt. Kos had 15 punts downed inside the 20-yard line in 2005.

"Adam is a dependable punter and he has helped us in gaining field position with his directional punting on a short field," Farley said.

## RETURN SPECIALISTS

The Panthers could use quite a few guys in the kick and punt return game, but expect to see senior Dre Dokes and sophomore Johnny Gray get the majority of the touches this season.

## SCHEDULE

UNI will play four non-conference games before entering Gateway Conference play on Oct. 7. The Panthers will take on Drake, North Dakota, South Dakota State and Iowa State in its non-conference slate.

UNI will begin its 2006 season at Drake on Thurs., Aug. 31 at 7:08 p.m. The game will mark the first football game at the newly remodeled Drake Stadium. Last season, UNI scored a 52-17 win over Drake in the UNI-Dome. Drake holds a 25-19-1 lead in the all-time series. Drake posted a 6-4 record in 2005.

The Panthers' home opener will occur on Sept. 9 when the University of North Dakota Fighting Sioux come to the UNI-Dome. This will mark the first matchup between UNI and UND since the 1978 season, when the Panthers scored a 35-17 victory. UNI holds a 25-12 lead in the all-time series. North Dakota is a Division

II school and is a member of the North Central Conference. In 2005, North Dakota reached the second round of the Division II playoffs and finished with an overall record of 10-3.

Family Day brings South Dakota State to the UNI-Dome for a game on Sept. 16. UNI holds a 22-16-2 advantage over the Jackrabbits in the all-time series, but the teams have not met on the gridiron since the 1979 season. SDSU won the meeting in 1979, 14-7. South Dakota State, 6-5 in 2005,

is a transitional I-AA football team and a member of the Great West Football Conference. SDSU is a former member of Division II football and the North Central Conference.

UNI's second road trip of the season will again keep them in the state of Iowa as they take on the Iowa State Cyclones on Sept. 30 at 6 p.m.. This will mark the 24th game in the all-time series with Iowa State holding a 17-3-3 lead. The squads last met in the 2004 season when the Cyclones tallied a 23-0 win over the Panthers. Iowa State finished the 2005 season with a mark of 7-5 overall.

Homecoming will take on a different meaning in 2006 as the Missouri State University Bears invade the UNI-Dome on Oct. 7. Missouri State will be led by first-year head coach Terry Allen in 2006. Allen posted a mark of 75-26 as head coach of the UNI Panthers from 1989-1996. UNI holds a commanding 21-5 advantage in the all-time series, but Missouri State was able to score a 24-21 win last season in Springfield. Missouri State posted a 4-6 mark in the 2005 season.

UNI will travel to Terre Haute, Ind., on Oct. 14 to take on the Indiana State Sycamores. UNI rolled to a 31-10 win over Indiana State last season in the UNI-Dome. UNI holds an 18-4 all-time series lead over Indiana State. Indiana State went 0-11 in the 2005 season.

The Panthers will stay on the road for back-to-back road trips when they head to Youngstown, Ohio, to battle the Youngstown State Penguins on Oct. 21. UNI head coach Mark Farley is a perfect 5-0 against the Penguins, which included last season's 21-7 win in the UNI-Dome by the Panthers. UNI leads the all-time series, 14-6. Youngstown State went 8-3 overall and was one of the tri-champions in last year's Gateway Conference race, but was not selected to take part in the NCAA I-AA playoffs.

Western Illinois will come to the UNI-Dome on Oct. 28 to take on the Panthers. UNI tallied a 41-24 victory in Macomb, Ill., last season. UNI has a 23-11 lead in the all-time series with WIU. The Leathernecks posted an overall mark of 5-6 in the 2005 season.

UNI will take on the Western Kentucky University Hilltoppers on Nov. 4 in the UNI-Dome. Last season, UNI scored a dramatic 23-20 double-overtime victory over the Hilltoppers in Bowling Green, Ky. Western Kentucky holds a 5-4 all-time series lead over UNI. Western Kentucky recorded a mark of 6-5 in 2005.

UNI's final road trip of the regular season will come on Nov. 11 when the Panthers travel to Carbondale, Ill., to battle the Southern Illinois University Salukis. UNI captured a share of the Gateway Conference title last season with a come-from-behind 25-24 win over the Salukis in the UNI-Dome. Southern Illinois (9-4 overall, 5-2 Gateway in 2005) received an at-large bid into the 2005 NCAA I-AA playoffs. SIU fell to Appalachian State, 38-24, in the quarterfinals of the I-AA playoffs. UNI holds a 14-10 lead in the all-time series.

The Panthers will wrap up the regular season at home in the UNI-Dome against the Illinois State University Redbirds on Nov. 18. Illinois State (7-4 overall, 4-3 Gateway) scored a 38-3 win over UNI last season in Normal, Ill. UNI holds a 14-8 lead in the all-time series between the two schools.

# HOME GROWN IN IOWA

**JAMES LINDGREN**  
(No. 83)

## Wide Receiver Odebolt, IA

"I really enjoyed growing up on a farm in rural Iowa, so staying in state was always a great possibility, if not a priority, for me. I chose UNI over other in-state schools because I was offered an academic scholarship. I didn't know much about UNI growing up, but after visiting campus and learning about the University, I was attracted by its size, looks and friendliness. I'm glad I chose UNI, glad I decided to try my luck with football, and glad to see my home state on the front of my jersey."

## Offensive Line Kellogg, IA

"I would have to say one of the main reasons I stayed in state and came to UNI was the tradition of excellence here. The conference championships and post-season appearances were extremely appealing. And being in state is nice as far as being close to home and family."

**TYLER RAWLINS**  
(No. 78)

**CHAD RINEHART**  
(No. 77)

## Offensive Line Boone, IA

"I wanted to go to a place where I knew that the team's goal would be to win a national championship and not just to have a winning record. I also knew that staying in state, the players would be hard workers."

## Kicker Cedar Falls, IA

"I chose UNI not only because my family is here, but because I felt the people involved with the program were top notch. I felt that the staff and players on my visit seemed as if they were a family of their own and I wanted to be a part of that."

# HEAD COACH MARK FARLEY

## MARK FARLEY Head Football Coach (UNI '87)

Once known as the "walk on from Waukon" when he wore a Panther football uniform, Mark Farley returned to his alma mater as its head football coach when his appointment was announced in a press conference held April 3, 2001.

Now in his sixth year as the Panther mentor, Farley never has felt more at home. Through his leadership, the Panthers have returned to the glory days when they won seven straight

conference titles and made seven consecutive I-AA playoff appearances in the decade of the 1990s.

Farley's 2005 Panthers made school history by reaching the first NCAA I-AA national championship game in the program's history. The Panthers reached the final by edging out No. 15 Eastern Washington (38-35), No. 1-ranked New Hampshire (24-21) and No. 4 Texas State (40-37).

In Farley's five years at the helm, UNI has advanced to post-season play three times and has won at least a share of three Gateway crowns.

UNI's 2005 Gateway Conference title run is one that will stick in the memory banks of all Panther fans. UNI dropped to 2-2 in the Gateway and 4-3 overall after a disappointing 38-3 loss to Illinois State.

"We talked after that game that our goal was to go from worst to first - and not just first in the Gateway Conference," Farley said.

The Panthers then pulled off the unthinkable as they knocked off three-ranked opponents in three weeks to capture a share of the Gateway Conference title.

UNI scored a 21-7 home win over No. 11-ranked Youngstown State. UNI followed it up with an amazing 23-20 double-overtime win at No. 6 Western Kentucky. Western Kentucky was set to win the game on the final play, but UNI's Everette Pedescleaux blocked the field goal and the Panthers eventually won the game on a 20-yard touchdown strike from Eric Sanders to Justin Surrency.

The Panthers concluded their conference run with a dramatic, come-from-behind thriller with No. 4-ranked Southern Illinois in a raucous UNI-Dome in front of 15,536 fans. The Panthers trailed 24-10 entering the fourth quarter but responded with 15 points in the final 15 minutes to score a 25-24 win. UNI scored the go-ahead touchdown on a 4th-and-2 when Sanders hooked up with Jamie Goodwin for a 35-yard score. UNI then held the Salukis when senior linebacker Darin Heideman nabbed SIU running back Arkee Whitlock short of the first down marker and the celebration was on.

"I think it's the most quality team you could put together," Farley said. "When I say a team, it was 56 guys who stepped up, put together a run and beat many teams, and we had to do it on the road. It's hard to put together a team like this without any superstars, but with guys who were always there for you and believed in each other. It's a special group."

Farley earned Northwest Region Coach of the Year honors from Don Hansen's Football Gazette and he finished 15th in the Eddie Robinson Award balloting.

"This is home to me," he said at the time of his selection as UNI's head coach. "Through football, I've been presented with great opportunities in my life and this is by far the best experience. I am so excited for this opportunity."

In his first season, Farley led the Panthers back to the I-AA elite. UNI finished 11-3 overall in 2001, placed first in the Gateway Football Conference with a 6-1 mark, and advanced to the I-AA national semifinals for the fifth time in school history. It was the Panthers' first conference title and playoff appearance since 1996.

During the season, UNI defeated five ranked I-AA opponents and I-A opponent Ball State, which went on to defeat Motor City Bowl-bound Toledo later in the year. The Panthers finished the season ranked fourth in both The Sports Network and ESPN/USA Today final I-AA polls.

The conference and the nation took notice. Farley was named the league's Bruce Craddock Coach of the Year and American Football Coaches Association (AFCA) Region 4 Coach of the Year. He placed third in the Eddie Robinson Award balloting, an honor given to the top I-AA coach by The Sports Network. He received 16 first-place votes, the most of any candidate. He still sits atop the Gateway Conference with the best record for rookie coaches.

The following year did not live up to pre-season expectations following the success of 2001 as the Panthers finished 5-6 overall. Injuries, graduation and inexperience on defense took a toll.

The Panthers re-grouped in 2003 to claim a share of the conference title when it won a hard-fought, come-from-behind contest against previously undefeated and No. 2-ranked Southern Illinois in the final regular season game. UNI went on to defeat No. 24-ranked Montana State in the UNI-Dome in the first round of the playoffs, then was sent on the road to No. 3 and eventual national champion Delaware, where it fell 37-7 on a cold and snowy afternoon to finish 10-3 overall. The Panthers were ranked fifth in The Sports Network/CSTV final Top 25.

Throughout the season, UNI defeated four ranked teams and appeared on television five times. Farley again was a finalist for the Eddie Robinson Award.

When all was said and done in 2004, the Panthers were judged on their first five games, and not their final six. Despite six consecutive victories by an average margin of 23.7 points, UNI couldn't overcome a 1-4 start to begin the year. As a result, the Panthers were passed over for the I-AA playoffs but finished on a high with a 7-4 record, including a 5-2 mark in the always tough Gateway to place third behind post-season selections Southern Illinois and Western Kentucky. Their strong finish earned them a No. 25 ranking in both The Sports Network and ESPN/USA Today final polls.

Farley grew up not far from Cedar Falls, and the UNI-Dome, in a small community called Waukon. He was a three-sport standout at Waukon High School. He played quarterback his junior year and tailback his senior year, while also seeing time at strong safety. He was a forward on the basketball team (all-conference two years) and a pitcher and short stop for the baseball team (all-conference three years). Despite his success, he wasn't highly recruited and he took a year off before pursuing his college degree.

His job as a truck driver brought him through Cedar Falls each Monday. He'd drop into the UNI-Dome to check out the Panther football team. In the fall of 1982, he walked on to the team, redshirting that first season. He received the Special Team Award his second year, then became a starting inside linebacker three years. He earned honorable mention all-America honors twice, was named Gateway Conference co-Defensive Player of the Year, was selected a team co-captain, and was named a two-time academic all-American. He led the team in tackles three consecutive years.

# HEAD COACH MARK FARLEY

During Farley's three years as a starter, UNI compiled a 27-7-1 record and advanced to the 1985 1-AA semifinals.

"When I came (for the interview), I wanted to stop back (in the Dome)," Farley said. "I came to the doors and I stood on that balcony on the concourse. I just wanted to get that energy from the Dome, because there's still something about this place. I looked at the banners and remembered the players that were here. We can be proud of this university in football."

Farley went straight from a player to a graduate assistant for two years under Coach Darrell Mudra and then was elevated to a full-time assistant. Between 1987-96, he was the position coach for such former UNI stars as Bryce Paup, James Jones, William Freeney and Andre Allen. Paup and Jones went on to play in the NFL, of course, while Allen and Freeney played in the Arena League and CFL. Four times Farley's players were named league Defensive Players of the Year.

In total, he coached five UNI all-Americans and 22 all-conference selections the first time around on staff. He also was the punt return specialist. That segment had a NCAA average ranking of sixth from 1989-1993, with two second-place statistical rankings. He also served as the team's Strength and Speed Coordinator. He was a Certified Strength and Conditioning Specialist and a Certified Level 1 Coach of the U.S. Weightlifting Federation. He designed and coordinated the reconstruction of UNI's strength facility and implemented individualized computer weight training programs.

With the success of individual players, the Panther program grew into a national power under Mudra and then, Terry Allen. As previously mentioned, UNI won seven consecutive Gateway titles, made seven straight I-AA playoff appearances between 1990-96, eight total, including advancing to two semi-final games. The Dome was packed with several sellouts.

In an interview following Farley's hiring, Mudra, a former head coach at Florida State, now retired and living in Florida, said, "I had three helpers who went on to become NFL head coaches. Farley is as good as any coaching prospect I worked with. I just feel like (UNI) couldn't have hired a better guy. He's a perfect fit for that situation. I think he's bright - real bright. Probably the most important thing is, he's really involved in football. If you cut his head open, nothing would come out but footballs. He's real intense."

Jones, a 1991 NFL third-round pick by the Cleveland Browns, said of Farley in a post-hire interview, "He makes athletes get the most out of themselves. One thing all of us under him did was work hard. That's the way he coached it, and that's what he expected out of you. He was just one of those coaches you wanted to go out there and play your hardest for. He'll probably still have (that) energy when he's 65. That's just Coach Farley."

When Terry Allen left the Panthers in 1997 to become head coach at the University of Kansas, Farley was one of UNI's assistants to follow. Farley was the Jayhawks' inside and outside linebacker coach. In Lawrence, he coached two all-Big 12 players, one all-American and five Players of the Week. He produced the KU all-time sack leader for season and career and recruited the 1999 Big 12 Newcomer of the Year. He was rated one of the top recruiters in the Midwest by MoKan Recruiting Service. He also assisted with the punt return and block specialists. His players blocked or returned a punt for a touchdown against 11 of the league teams at least once.

At the press conference announcing Farley's appointment, UNI Director of Athletics Rick Hartzell, himself a UNI alum, said, "It took me about an hour to find out what all of you knew a long time ago. Before it was over, we both had tears in our eyes about what (UNI) means to us. There are a whole lot of Panthers out there in the world that are really proud today."

Having worked under, or played for, three of the best football minds in Mudra, Earle Bruce and Allen, there's little doubt Farley knows football. However, it is also his passion, not only for the game, but for the University of Northern Iowa, that after just one season helped carry the Panthers back to the top of I-AA football, something which had not been accomplished the previous four years.

"This program is not broken," Farley said upon his appointment. "(The previous staff did) a good job...We just want to take it a step higher, raise the bar to our expectations at the University of Northern Iowa. We want to win the Gateway - we WILL win the Gateway....People are scared to come in (the UNI-Dome). We want to fill this place. You don't know how exciting it was as a player and as a coach with 16,000 people, keys ringing all the time on kickoffs. That's neat. I love it when the opposing team stands at that doorway down there and that is all happening.

"I want our players to feel that because that is a special feeling, and that is why we're here and that's what we're after to achieve, because if you win the Gateway, you can win the national championship. That's how tough this conference is."

Farley also is a players' coach, a coach willing to listen to his players, but who also sets high standards for his team. He set the tone in his first meeting with the squad.

"The first thing that we talked about was this program," he said. "This program is the most important thing. It was here before we were here, and it will be here after we leave. Right now, we represent this program and this university. We represent the community, we represent the state, and we will do everything that we can to put UNI football at the level we're proud of and always have been at this university. This place is important to alumni, just as it is to me."

### **DAVE ARNS - Waverly (IA)-Shell Rock High School**

The UNI staff has high expectations of their student-athletes, both on and off the field, and expects them to be gentlemen representing the University of Northern Iowa."

He is building with Iowa and mid-west student-athletes as the base and he has re-established the quality relationships necessary with high school coaches. He cares so much about UNI and this head-coaching job and he has done everything he can to help this athletic department by being a 'team' player. He is great to work with, has a huge work ethic and he cares about football players as people. We could not ask for more."

### **TERRY ALLEN - Head Football Coach, Missouri State University (former UNI, Kansas head coach)**

"Mark Farley coaches in the same manner in which he went from being a walk on to becoming the Gateway Football Conference Defensive Player of the Year, which is a cross between great dedication and unbelievable determination. I truly believe you see those qualities come shining through when you watch a Farley-coached team."

# ASSOC. HEAD COACH BILL SALMON

## BILL SALMON Associate Head Coach/ Offensive Coordinator/ Wide Receivers (UNI '80)

Head coach Mark Farley isn't the only member of UNI's coaching staff that has returned home to his roots. Bill Salmon is a native of Cedar Falls, a graduate of Cedar Falls High School and a UNI football alum.

Highly regarded as one of UNI's best quarterbacks ever, Salmon (SAHL-mun) rejoined the Panther staff in 2001

as Associate Head Coach, Offensive Coordinator and assistant in charge of the wide receivers. Prior to his return to UNI, Salmon served as the offensive coordinator at the University of Kansas from 1997-2000. Salmon was also the running backs coach for the Jayhawks in 1999 and 2000.

"It's still UNI," he said upon his return to the Cedar Valley. "Still football. Still people I know. It's easy. This is home."

Salmon started three years at quarterback (1973-75) for the Panthers and was known for his excellent throwing arm, quick release, great quickness, speed, football knowledge (he called about 75 percent of his own plays), and was superb at running the Panther veer attack. He ran as good as any running back, and was not afraid to do so.

He was a third team all-America selection and North Central Conference Offensive Player of the Year following his senior campaign when he led UNI to the NCAA Division II playoffs. He set a multitude of school records, including throwing for 4,342 regular season career yards and gaining 5,371 yards in total offense. He was drafted in the 10th round by the Minnesota Vikings, but an off-season knee injury ended his playing career.

Former UNI director of athletics and head football coach, Stan Sheriff, called Salmon "the greatest and smartest quarterback I've ever coached. He can throw the ball a mile, runs like any back and could even kick if we asked him to. I've never seen a quarterback with as much talent, confidence, poise and knowledge as Bill Salmon has. But it's his take-charge attitude and game-breaking capabilities which really makes him great."

Salmon first served as a UNI assistant from 1983-96, coaching the wide receivers and running backs. He was Farley's first appointee when he was hired at UNI as head coach.

"Trust is the number one reason," Farley said when describing why he wanted Salmon on his staff. "I was a defensive coach and I wanted someone I could turn the offense over to, and let them control that phase of the game."

Widely known as a throwing team in the past, Salmon shifted UNI's focus in 2001 from the pass to the run because of the talent available. The Panthers averaged 289.5 passing yards and 149.5 yards rushing in Coach Mike Dunbar's last year at the helm. In 2001, the Panthers averaged 164.9 yards passing and 191.4 yards on the ground. The trend continued over the next three years, with UNI averaging 186.2 yards passing and 203.7 yards rushing in 2004.

In 2005, the Panthers' offense flourished and set a school record with 6,008 yards of total offense. UNI also set school marks in points scored (449), offensive plays (1,024) and first downs (298). UNI ranked No. 6 in the nation in pass efficiency, No. 31 in passing offense, No. 32 in scoring offense and No. 34 in total offense. The Panthers placed first in the Gateway in passing efficiency, fourth in pass offense, fifth in rushing offense and fifth in total offense.

Salmon has coached 21 Panther all-conference selections, five all-Americans and five wide receivers who have gone on to play in the NFL, including wide receiver Dedric Ward, who was a third-round selection in the 1998 NFL draft by

the New York Jets.

His wife's name is Kim. He was born Jan. 27, 1954, in Des Moines, Iowa. He graduated from Cedar Falls High School in 1972, where he was an all-conference, all-district and all-state selection and a team MVP.

# ASST. COACH ATIF AUSTIN

## ATIF AUSTIN

**Running Backs  
(Iowa State '03)**

Atif (ah-TEEF) Austin is entering his second season as running backs coach with the Panthers.

In 2005, Austin helped running back David Horne set the UNI single-season rushing touchdown record with 17.

Horne rushed for 1,141 yards to lead the Panthers into the program's first-ever appearance in the NCAA I-AA national title game. Along with Horne's accomplishments, the Panthers were

able to mix in fellow senior Terrance Freeney into the UNI running game. Freeney rushed 172 times for 656 yards and nine touchdowns in 2005.

Austin served as a graduate assistant at Southwest Minnesota State University (2003-2004), the first working with the secondary and the last aiding with the inside linebackers. Additional duties included helping with athlete strength and conditioning during the season, video coordination, breaking down of game film, and recruiting.

A native of Tarpon Springs, Fla., Austin was a four-year starter as a defensive back at Iowa State University from 1998-2002. He received honorable mention All-Big 12 honors by The Associated Press in 2001 and was presented the 2002 Reuben J. Miller Award, given to the player whose conduct on and off the field has brought honor to ISU. He redshirted in 1998, then compiled 173 career tackles, including 146 solos and 27 assisted stops. He also was credited with 33 pass deflections and two interceptions.

As a senior, he was voted the team's defensive MVP against Florida State when he tallied five tackles, including four solos. He started 10 games in 2001, finishing the year ninth on the squad with 55 total stops and leading the team with 10 breakups. He started the last nine games in 1999 and was moved from running back to cornerback when he earned a spot in the two-deep heading into fall practice.

Austin rushed for 1,995 yards and 16 TDs as a senior at Tarpon Springs. He was invited to play in the Florida-Georgia All-Star Game and was selected for the Palms/Pinellas County All-Star game. He was named Pinellas County's Extraordinary Athlete of the Year in 1997 and to the Super 24 squad. He was a first team all-state selection and earned Pinellas County's and the North Conference Player of the Year Award.

In addition, he was one of two athletes honored with the Rickey Bell Award for student-athletes in the Tampa area. He was voted MVP and offensive MVP by his teammates as a senior. He played tailback, quarterback, cornerback and wide receiver and also participated in wrestling and track, competing in the high jump, 400m, 4x400 and 4x100 relays.

Austin majored in Sociology and Exercise and Sport Science at ISU and earned his master's in Leadership and Education from Southwest Minnesota in January. He was a four-year Honor Roll recipient as a prep. He was a member of Citizens Alliance for Progress, an organization that acknowledges strong academic performance.

He was born Nov. 23, 1978, in Tampa, Fla. He and his wife, Tori, are the parents of Djoni, 9, and Amni, 4.

## CHRIS KLIEMAN

**Secondary  
(UNI '90)**

Former University of Northern Iowa football standout Chris Klieman is returning to the Panther fold as the secondary coach in 2006.

Klieman (KLY-mun) was a three-time All-Gateway Conference defensive back for the Panthers. Klieman was also a four-year letterwinner for the Panthers from 1986-1990.

Klieman is returning to his alma mater after serving as the Loras

College head football coach in 2005. Prior to being named the Duhawk head coach, Klieman served as the Loras defensive coordinator and turned them into one of the Iowa Conference's most feared defensive units. When he took over, the Duhawk defense was ninth in the conference. In 2004, the defense set a school record for fewest rushing yards allowed and saw three players earn all-conference honors. The 933 yards allowed on the ground (93.3 per game) was the top number in the Iowa Conference and was also 21st overall in NCAA Division III. The 2005 defense led the Iowa Conference in rush defense (121.4), pass defense (161.0 ypg) and total defense (282.4). Loras ranked 33rd nationally in total yards (282.4 ypg) and scoring (16.8 ppg).

After his playing career was over, Klieman served as an assistant coach for the Panthers under then-head coach Terry Allen from 1991-93. Klieman also had assistant coaching stints at Loras (2001-2004), Missouri State (1999), Kansas (1997) and Western Illinois (1994-1996).

Klieman earned both his bachelor's (health education - 1990) and master's (physical education - 1992) degrees from UNI. Klieman and his wife, Rhonda, are the parents of two sons, Devin and Colby and one daughter, Haley.

# ASST. COACH MARIO VERDUZCO

## MARIO VERDUZCO

**Quarterbacks  
(San Jose State '88)**

When UNI head coach Mark Farley went looking for a quarterbacks coach, he couldn't have landed a better technician than Mario Verduzco.

Verduzco spent five years (1996-2000) working with the signal callers and as recruiting coordinator at Rutgers University in Piscataway, N.J., the last season as head quarterbacks coach. During his tenure at Rutgers,

he developed what has been described as one of the best Quarterback Schools in the country, when young players from around the country spent four days learning the skills, both mentally and physically, of quarterbacking.

His prize pupil, Rutgers quarterback Mike McMahon, quarterbacked the Detroit Lions and is a former Quarterback School participant. In total, he has coached four quarterbacks who have gone on to play in the NFL. Added to the list is UNI's Tom Petrie, who signed a free agent contract with the Washington Redskins in April 2005.

Verduzco himself learned the trade from the best, working under head coach Terry Shea at San Jose State and at Rutgers. Shea has moved on to coach in the NFL.

Prior to being named at Rutgers, Verduzco was associate head coach, Offensive Coordinator, and quarterbacks and receivers coach at De Anza College in Cupertino, Calif., beginning in 1991, moving up to head coach from 1994-95. While coaching at De Anza, he spent time with arguably one of the best NFL coaches in history as both Bill Walsh and his mentor, Shea, conducted a private NFL quarterback camp at De Anza.

Verduzco began his coaching career at Soquel High School in 1977 before moving on to Gavilan College as Offensive Coordinator and quarterbacks and receivers coach in 1987. From 1990-91, he served as graduate coach at San Jose State before moving on to De Anza.

The cousin of former Illinois and British Columbia record-setting quarterback Jason Verduzco and uncle of former Yale quarterback Bobby Verduzco, he graduated from San Jose State in 1988 with a degree in Human Performance. He received his master's in Biomechanics and Exercise Physiology from SJSU in 1990. That's when he authored the book "Quarterbacks Born or Made? The Biomechanics of the quarterback position: An integrative approach."

Upon his appointment at UNI, Verduzco said, "I think (the Panther quarterbacks) have enjoyed having me come in. I don't know a lot of things, but I know three things – there is a God, I'm not God, and the best thing there is in the world is coaching quarterbacks."

Farley said, "Mario coaches quarterbacks like I coach linebackers. He's real detailed. He's in-depth about angles."

Verduzco's tutelage paid off big time in 2001. UNI true freshman quarterback Petrie was named the Gateway Conference's Freshman of the Year and to the league's All-Newcomer Team. He passed for over 2,300 yards in 2003 and was ranked No. 23 in the nation in efficiency. His 18 touchdowns with just seven interceptions helped UNI finish first in the Gateway in turnover margin. After Petrie sustained a season-ending injury in the team's fourth game of the year last season, redshirt freshman Eric Sanders took over the role and was named the league's Freshman of the Year when it all was over. He completed 95-of-150 passes for 1,307 yards, setting a school freshman record, and seven TDs.

Under the assistance of Verduzco, Sanders continued his development into one of the nation's best I-AA quarterbacks in 2005. Sanders passed for 2,929

yards and 23 touchdowns in 2005. In leading UNI to its first-ever appearance in the I-AA national title game, Sanders passed for a I-AA postseason-best 1,113 passing yards on 87-of-127 passing with seven touchdowns.

Verduzco was born on May 23 in Pittsburg, Calif. His wife's name is Cate and the couple has an 11-year-old son, Charles.

# 2006 RECRUITS

University of Northern Iowa head football coach Mark Farley announced the signing of 23 student-athletes on National Letter-of-Intent signing day.

"We are very pleased with the type of players we have signed this year," Farley said. "We had some immediate needs for next season which we addressed and we are also working toward long-term success through the development of our freshman signees."

UNI is coming off a school-record setting 11-4 season that saw the Panthers reach the NCAA I-AA national championship game for the first time in school history. Farley said the Panthers' run in the NCAA playoffs created a different style of recruiting this year.

"Initially it created an up-tempo sense of recruiting," Farley said. "We lost a month in December, but once we got out, it created opportunities for us to recruit players that we wouldn't have had the opportunity to recruit had we not been playing on the national scene. It definitely created opportunities to recruit players out of our region that we have not been able to in the past."

UNI lost 19 players to graduation and Farley said that played a factor in this year's recruiting class.

"We had a quality senior class graduate," Farley said. "But we also have a lot of quality players coming back from last year's team. So it was necessary to focus on next season as much as the future. We've got great players coming back with championship experience and we want to make sure we give them every opportunity to go back to Chattanooga by surrounding them with a quality recruiting class."

# GATEWAY FOOTBALL CONFERENCE

Fresh off its fourth national championship game appearance in the past nine years, the Gateway Football Conference has high expectations this season, as the nation's premier I-AA league enters its 22nd year in 2006.

There's not much that has eluded the Gateway Football Conference in its first two decades of existence. The league's first 21 years have included national championships, national players of the year, national coaches of the year, No. 1 national rankings, and countless All-Americans.

Last year, UNI became the fourth Gateway school to reach the I-AA championship game since 1997, while Southern Illinois and Western Kentucky combined to hold the nation's No. 1 ranking in the top-25 polls for five weeks.

In 2004, Southern Illinois spent a league-record 11 weeks as the nation's top-ranked team, while all eight Gateway teams received votes for the Top 25 at some point in the season. LB Boomer Grigsby of Illinois State earned a National Defensive Player of the Year honor, while SIU's Jerry Kill was National Coach of the Year.

Three years ago, four Gateway teams represented the league in the 16-team NCAA I-AA playoffs, marking the first time any league has sent that many to the playoffs in the same year. And in 2002, Western Kentucky won the I-AA national championship.

Strong coaching and great players have helped make the league a national force, but the stability and leadership of Commissioner Patty Viverito -- the only commissioner the league has ever known -- has helped make the Gateway Conference a standard bearer on the I-AA scene. Indeed, all signs point to continued national prominence for the league as it enters its 22nd season.

The Gateway Conference has two recent national championships (Western Kentucky - 2002; Youngstown State - 1997), and Gateway members YSU (3) and Southern Illinois (1) own additional titles prior to their Gateway membership, meaning six I-AA championship trophies are housed on Gateway campuses, in addition to three (Youngstown State twice and UNI last year) second-place awards. Only five I-AA leagues possess more than a single I-AA championship trophy, and the Gateway Conference is among that elite.

In recent years, the Gateway has established itself as a leader among Division I-AA conferences. During the past 10 years, the league has two national championships, and six other semifinal trips. The Gateway's 28-20 playoff mark in that span is second only to the Southern Conference (38-20), and the Gateway has had four teams reach the title game, topped only by the Southern Conference's five championship game appearances since 1997.

Additionally, the Gateway's 20 playoff berths in the past eight years trails only the Atlantic-10 (23) for I-AA supremacy, and the Gateway has had two representatives each of the past 11 seasons. Also, the Gateway is the only I-AA conference to have each of its members make the playoffs.

The Gateway's success is not limited to the immediate past. During the decade of the 1990s, current members of the Gateway compiled a 34-19 mark in the I-AA playoffs, bettered only by the Southern Conference, whose members were 37-19 in that decade.

Last year, the league was an impressive 22-15 against non-conference teams, which included a 15-5 record against I-AA teams. Three of those five I-AA losses came against teams that reached the I-AA playoffs.

Team accomplishments have helped solidify the Gateway as a I-AA elite, but individuals at the league's member institutions are the real source of pride within the conference. Last year, four Gateway student-athletes were finalists for the I-AA's top awards, while more than a dozen Gateway players earned All-America honors.

In addition, UNI's Mark Farley and Youngstown State's Jon Heacock were finalists for the Eddie Robinson Award, given to the nation's top I-AA football mentor. Thanks to strong coaching, the Gateway has reached and will maintain its place among the I-AA best.

During the past nine seasons, the Gateway has compiled a 235-150 record in non-conference games. Of the 150 losses, 120 came against ranked I-AA or I-A opponents. Said another way: Only 30 times in those 385 games did a Gateway team lose to a non-ranked I-AA team or to a non-I-A team. Notably, the Gateway has posted 52 wins against top-25 I-AA teams in the past 10 years alone.

Last year, despite tough scheduling, five teams in the Gateway Conference had winning records, setting an all-time high. The Gateway has had four teams with better than .500 records in the same season 12 times now, including the past eight seasons. A minimum of two league teams have won at least nine games in each of the past four seasons.

In 1997, Youngstown State grabbed the crowned jewel for the Gateway, as the league had one of its most successful seasons. In addition to claiming the league's first national championship, the Penguins finished the year ranked No. 1, marking the first time a league member has held that spot in a season-ending poll. That year, Western Illinois was at No. 6, marking the first time the Gateway ended the year with two teams ranked among the top six.

In 1999, the Gateway trumped that, as YSU finished the year No. 2, and Illinois State was No. 3. UNI, too, finished in the top 20 in both nationally recognized polls.

In 2002, Western Kentucky added to the league's national championship trophy case with a I-AA crown, while both WKU (No. 1) and WIU (No. 5) finished among the nation's top five in the season-ending polls.

On the subject of national polls, the Gateway has had two teams ranked among the Top 10 in the same poll 100 times (including 11 times last year) with 99 of the 100 coming post-1996.

In 1999, five Gateway teams (Illinois State, UNI, Southern Illinois, Western Illinois, and Youngstown State) were ranked in the same poll for the first time in league history. Five teams were ranked in the same top-25 poll twice in 2005 and a total of five times in league history.

Three times in the past three years (9/13/04, 9/22/03, and 9/29/03) four Gateway teams were ranked in the Top 25, and four more Gateway teams were receiving votes -- meaning all eight teams in the league were receiving votes or were ranked during the same week. Prior to 2003, the last time that happened was Sept. 6, 1999, but no I-AA league (including the Gateway

Conference) has had that happen as late as Sept. 29 in a season.

Four Gateway teams were in the Top 15 of the ESPN/USA Today Coaches top-25 rankings of Oct. 1, 2001 (Youngstown State-5; Western Kentucky-11; Western Illinois-14; and UNI-15). That marked the first time in league history that four league teams were in the Top 15 the same week. That's happened 17 times in league history, including three times last season.

Last year, Southern Illinois and Western Kentucky held the top two spots in the national poll in back-to-back weeks (Sept. 12-19), marking the first time the Gateway has held the national No. 1 and No. 2 spots in the same week. Notably, the league has had two of the top three spots in the top-25 rankings on seven occasions, including four times in 2005.

The original Gateway Conference was founded as a women's athletic organization in August 1982, following the dissolution of the Association of Intercollegiate Athletics for Women. In September of that year, Patty Viverito was named the first commissioner of the newly founded conference, a position she maintains today. Before moving to its permanent headquarters in St. Louis, the Gateway spent three organizational months on the campus of Eastern Illinois University.

In July of 1992, the 10-team conference disbanded as its women's programs realigned with their men's teams in their respective conferences. The league assumed its new name on July 1, 1992, becoming the Gateway Football Conference, an NCAA I-AA football league comprised of seven Midwest institutions.

The Gateway Conference football division was born on August 21, 1985, when the Gateway Conference President's Council voted to add a I-AA football division for six of its members to the previously all-women's athletics organization. Founding members of the football division were Eastern Illinois, Illinois State, UNI, Southern Illinois, Southwest Missouri State (now Missouri State), and Western Illinois. The creation of the Gateway football division marked the first time in college annals that football was added to a women's conference. In June of 1986, Indiana State became the seventh member of the Gateway Conference.

In the 21 years of the football division, league membership has been stable -- with only three fluctuations since 1986. Eastern Illinois left the Gateway to join the Ohio Valley Conference in 1996, while Youngstown State joined the Gateway for 1997 to return league membership to its original seven-member status. League membership reached an all-time high of eight members for the start of the 2001 season with the addition of Western Kentucky.

The Gateway is among eight I-AA conferences that receive automatic bids to the NCAA I-AA Championship. Those other leagues include the Atlantic-10 Conference (formerly the Yankee), the Big Sky Conference, the Midwestern Athletic Conference, the Ohio Valley Conference, the Patriot League, the Southern Conference, and the Southland Football League. The Gateway Conference has had an automatic bid since 1986, as the I-AA Football Committee waived the league's two-year waiting period and granted the league an automatic bid after just one year.

The Gateway Conference is the only automatic I-AA qualifying conference that sponsors football as its only sport, as the league completed its service to women's athletics following the 1991-92 season. Although the league no longer sponsors women's sports, the Gateway has an historical place in the development of intercollegiate women's athletics.

The 10 founders of the original Gateway Collegiate Athletic Conference currently belong to three conferences. Eight members joined their men's programs in the Missouri Valley: Bradley, Drake, Illinois State, Indiana State, Missouri State, UNI, Southern Illinois, and Wichita State. Eastern Illinois is in the Ohio Valley Conference, while Western Illinois competes in the Mid-Continent; Youngstown State's sports, other than football, are in the Horizon League, while Western Kentucky's home for non-football sports is in the Sun Belt.

In its decade of operation, the Gateway sponsored championships in ten women's sports and football. The women's sports were basketball, cross country, golf, indoor and outdoor track & field, swimming and diving, tennis, softball, volleyball and, early on, field hockey.

# 2005 SEASON REVIEW

## WHAT A RIDE

by Doug Newhoff  
*Waterloo-Cedar Falls Courier*

Football bounces in mysterious and unpredictable ways.

They turn left when those in pursuit turn right. They go backward when logic dictates they should go forward. They spin, skip, skid and squirt around the field just out of reach. But sometimes, a team wraps its hands around the pigskin and refuses to let go until there is no more football to be played.

Meet the 2005 University of Northern Iowa Panthers, who took the university, the Cedar Valley and the entire state for a white-knuckle ride with more twists and turns than one of Brad Penrith's wrestlers.

From the UNI-Dome to Bowling Green, Ky., Durham, N.H., San Marcos, Texas and Chattanooga, Tenn., Panther pride played long and loud during a remarkable 11-4 season that nearly culminated with the program's first NCAA Division I-AA national championship.

Fifth-ranked Appalachian State (12-3) ruined that dream, 21-16, on a chilly Dec. 16 night in Chattanooga, but success cannot always be measured on the scoreboard.

The 2005 Panthers rallied from a 4-3 record with seven straight wins to reach the I-AA finals. In five of those games, UNI rallied from fourth-quarter deficits to snatch victory from the jaws of defeat. Two games went to overtime. The Panthers won their first ever quarterfinal playoff game on the road against No. 1-ranked New Hampshire. Then they broke down the semifinal barrier after five

previous attempts by winning a shootout at Texas State.

It was a season that was occasionally chaotic, often exhilarating, sometimes unbelievable and always unforgettable.

It was a season that served as a testament to a team's will to succeed and the determination of 18 dedicated seniors.

It was a season that validated the Panthers' considerable gridiron tradition, which includes 12 postseason berths in 20 years at the I-AA level.

It was a season that more than once brought tears to the eyes of fifth-year head coach Mark Farley, a 1986 UNI graduate and former all-American linebacker.

Most of all, it was a season that brought a campus, the communities of Cedar Falls and Waterloo, and a state together like no other. Only coach Eldon Miller's 1989-90 men's basketball team that upset Missouri in UNI's first NCAA Division I tournament can compare.

## THE ROAD TO CHATTANOOGA

UNI's season began with routs over Division I-AA non-scholarship Drake and Division II Minnesota-Duluth. Game three took the Panthers to Kinnick Stadium in Iowa City where they made a solid showing in a 45-21 defeat. The Gateway Conference season opened with a 41-24 win at Western Illinois, but UNI stumbled at Missouri State, dropping a 24-21 decision and losing sophomore quarterback Eric Sanders to a severe high ankle sprain.

With their offensive leader out of action, the Panthers took care of struggling Indiana State at home, but hit bottom the following week in a 38-3 loss at Illinois

State. It was UNI's most lopsided Gateway defeat ever, and it didn't sit well with the Panthers.

"We had a team meeting the next day," said Sanders. "We said we had to take each week like a playoff game from there and just win each game. We all just pulled together and had this sense of urgency and we got it going."

The goal, Farley added, was to go from worst to first, and not just first in the Gateway. The Panthers nearly pulled it off. They handled 11th-ranked Youngstown State, 21-7, in the Dome, then won 23-20 in double-overtime at sixth-ranked Western Kentucky.

They beat No. 4 Southern Illinois 25-24 in the UNI-Dome to clinch a share of the Gateway title and the league's automatic playoff berth. After a rout of Northern Arizona in the regular-season finale, the playoffs featured dramatic wins over Eastern Washington (41-38), New Hampshire (24-21) and Texas State in overtime (40-37).

Farley had a feeling about his Panthers all along. "I think it's the most quality team that you could put together," said Farley. "When I say a team, it was 56 guys who stepped up, put together a run and beat many teams, and we had to do it on the road. It's hard to put together a team like this without any superstars, but with guys who were always there for you and believed in each other. It's a special group."

## THE BANDWAGON SWELLS

While the fans will remember the players and the plays that made the 2005 team special, the Panthers will remember the fans, as well. Nearly 16,000 packed the Dome for the Southern Illinois game and willed UNI to victory. The crowd for the first-round playoff game against Eastern Washington was no less important to the outcome.

The support and enthusiasm continued to grow through wins at New Hampshire and Texas State. And once the Panthers had earned their spot in the national championship game, the entire state had taken notice.

"I went grocery shopping and I was stopped three or four times by people I didn't even know saying congratulations, and that they're rooting for us," said Stensrud. "It's awesome, knowing your whole community is behind you and they're excited. I'm just proud to be part of this team. It's fun to represent UNI the way the community wants."

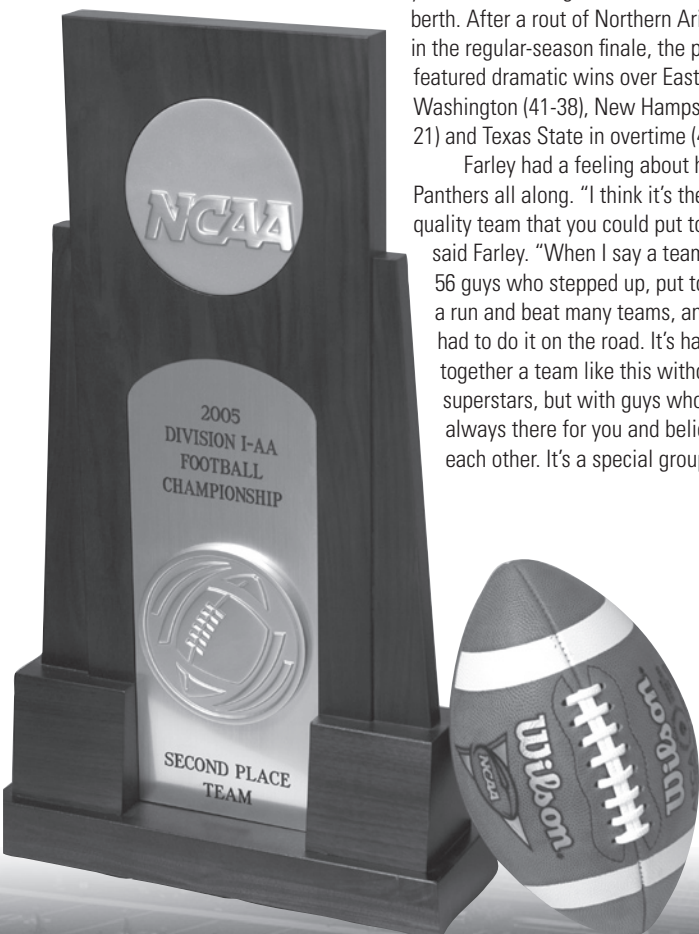

When the Panthers left for Chattanooga, hundreds of fans gathered at the airport to see them off. From there, the UNI faithful converged on Chattanooga. An estimated 9,000 were in the stands for the game.

A couple of hours before the Panthers took the field in Chattanooga, President Koob addressed several thousand amped-up fans gathered in a pavilion outside Finley Stadium. A few minutes later, the crowd erupted again when Farley stepped to the podium.

In the end, the Panthers didn't get everything they wanted. An outstanding Appalachian State team saw to that as it rallied from a 16-7 deficit in the second half. And while hindsight may be 21-16 in many eyes, it will also show a UNI football team unlike any other.

"I said all along that this team was special," Farley said.

*Editor's note: Doug Newhoff graduated from the University of Northern Iowa in 1986 with a B.A. in English literature and a minor in journalism. He joined the Waterloo-Cedar Falls Courier sports department on a part-time basis in 1976 and took a full-time position in 1982 while working toward his UNI degree.*

## UNI DRAKE

SEPT. 1 • UNI-DOME • 10,385

**CEDAR FALLS, Iowa** – UNI's 52-point explosion against Drake was headlined by sophomore field general Eric Sanders. He threw for a career-high 289 yards and three TDs while completing 14-of-17 passes in the 52-17 win.

A shaky start from the Panther defense left UNI in a 7-0 hole early in the first quarter but it came back to orchestrate a 10-play, 74-yard march to pay dirt, capped off by a one-yard TD dive by Nebraska transfer, senior tailback David Horne. Horne accounted for 34 yards of the drive, including a 23-yard scamper to the Drake two yard line. UNI took a lead it would not relinquish with a 34-yard pass from Sanders to senior Justin Surrency. Brian Wingert's first of seven PATs made it 14-7 in favor of UNI after the first quarter.

Drake chipped at the Panther lead with a 26-yard field goal to amke it 14-10 with less than two minutes gone in the second period. Sanders and Patrick Hunter crushed the Bulldog momentum with a 45-yard hookup that led to a 20-yard James Lindgren TD and a 21-10 Panther lead.

UNI gained 528 yards total, including 359 in the first half, and 316 through the air, the most yards gained since compiling 549 yards in the second game last season against Division II Minnesota State.

## UNI MINNESOTA-DULUTH

SEPT. 10 • UNI-DOME • 8,893

**CEDAR FALLS, Iowa** – The Panther offense delivered another flurry of points with quarterback Eric Sanders leading the way in a 49-14 drumming of the Bulldogs. The sophomore completed 12-of-14 attempts for a career-high 311 yards and three TDs.

An 11-minute stalemate opened the contest with neither team budging or taking advantage. The Panthers broke the trend with a one-yard Terrance Freeney TD run as the first quarter came to a close. UNI opened the second quarter with a 41-yard TD strike from Sanders to Brian Cutright to top off a five-play, 63-yard sprint to pay dirt. Sanders found Patrick Hunter with a 57-yard TD connection just five minutes later, putting the score at 21-0 with over nine minutes remaining in the half.

The Bulldogs found the end zone with just over four minutes remaining to bring the score to 21-7, but Sanders found Justin Surrency for a 26-yard TD toss to put the Panther advantage back at 21 points. Freeney ended the first half with his second one-yard TD lunge, putting the score at 35-7.

The running game took center stage in the second half, with UNI eating up over 100 yards to help kill the clock. David Horne scampered 33 yards for the sixth UNI TD, giving the Panthers a 42-17 lead early in the third quarter. Freshman Corey Lewis topped off a 13-play, 56-yard drive with a one-yard TD run with under a minute to go in the third.

# 2005 GAME-BY-GAME

## IOWA UNI

SEPT. 17 • IOWA CITY, IOWA • 70,585

**IOWA CITY, IOWA** – The Panthers didn't take any guff from their big brothers down Interstate 380. UNI gained a total of 368 yards against its Big Ten opponent, including 263 yards passing and 105 yards rushing.

Sophomore quarterback Eric Sanders in his first game against a I-A foe completed 19-of-29 passes with just his first interception of the year, a throw that went off the fingertips of wideout Curt Bradley directly into the hands of Iowa's Jovon Johnson. Johnson returned it 18 yards for the Hawkeyes' third TD with 11:51 left in the half. A little over three minutes later, however, the Panthers got on the scoreboard when Sanders threw his first of three TDs on the afternoon, a 12-yarder to senior tight end Brian Cutright. Cutright tied with senior Patrick Hunter with four catches on the day, with Cutright compiling 61 yards and Hunter 60.

Iowa increased its lead to 31-7 at the half after senior tailback David Horne fumbled on the UNI 35. Iowa scored just 42 seconds later on an 11-yard pass play. UI built the lead to 38-7 at the end of three quarters. But the Panthers weren't about to roll over and play dead. Sanders threw a four-yard scoring toss to senior Justin Surrency with 12:44 left in the game and added a 22-yard pass to Horne with 1:55 left to make it 38-21 in favor of the Hawks. Iowa added on a 39-yard run with just 30 seconds left in the game to make the final margin 45-21.

**MACOMB, ILL.** – UNI sophomore quarterback Eric Sanders led the Panthers to a 41-24 victory over Western Illinois in the Gateway Football Conference opener for both teams.

He led the team in rushing for the second consecutive game when he gained a career-high 68 yards on nine carries. His 68-yard TD run was another career best and gave UNI a 34-17 lead with 10:16 left in the third quarter.

UNI got the ball rolling with Hunter's 38-yard TD reception with 5:27 left in the first quarter. The Leathernecks tied the score with 13:21 left in the half on a nine-yard pass play. UNI then scored 20 unanswered points. Goodwin's 36-yard TD catch came at the 10:49 mark. Terrance Freeney scored his first of two rushing TDs when he put UNI up 21-7 from 12 yards out with 7:09 left in the second period. The score came just 58 seconds after sophomore free safety Chris Parsons pounced on the first of his two WIU fumble recoveries on UNI's 43 yard line. Jason Breeland's 42-yard run moved the ball to the Leatherneck 15 and two plays later, Freeney scored. David Horne added a five-yard TD run with 23 seconds left and Brian Winget's first PAT miss of the season left the Panthers with a 27-7 lead. However, the half ended with UNI up just 27-14 after WIU scored on a 40-yard pass with just six seconds remaining on the clock.

WIU pulled to within 10 points twice in the second half. It kicked a 47-yard field goal with 11:50 left in the third period to close the margin to 27-17, but less than two minutes later Sanders scored on his 68-yard run. With 1:47 left in the third, WIU pulled back on a 66-yard TD pass to make it 34-24 in favor of UNI. Freeney's four-yard TD with 12:42 left in the game ended all scoring.

## MISSOURI STATE UNI

OCT. 8 • SPRINGFIELD, MO. • 10,778

**SPRINGFIELD, Mo.** — Disaster struck UNI for the second consecutive season when the Panthers lost starting quarterback Eric Sanders to a high ankle sprain with 14:37 left in the second quarter. It was deja vu. Sanders, the nation's passing efficiency leader, took over in the fourth game last year when four-year starting quarterback Tom Petrie went down to a season-ending injury. Sanders entered this game with a 9-2 record as the starter and had completed five-of-seven passes for 31 yards when he was injured. Redshirt freshman Nick Nelson relieved him for one series until it was determined the extent of the injury. Scottsdale Community College transfer Dexter Hill then was pulled out of his redshirt year and finished the game with 12-of-19 passes with one interception for 186 yards and one TD.

Hill orchestrated UNI's comeback. The first quarter was scoreless and UNI trailed 14-0 at the half. He drove the Panthers to the MSU 12-yard line with 14.7 seconds left following a 78-yard kickoff return to the MSU 22 by Jamie Goodwin, but then Hill was sacked for an 11-yard loss from the four to end the half. UNI finally got on the scoreboard with 11:25 left in the third quarter on an 11-yard run by senior tailback David Horne. The Panthers tied the game at 14 with 33.2 seconds left on senior tailback Terrance Freeney's 65-yard TD reception from Hill.

With 13:46 left in the game, Hill was intercepted at the MSU 26. The Bears then took the lead for good on a 35-yard field goal with 6:30 remaining in the game on a drive that consumed over seven minutes and 49 yards on 14 plays. The game went out of reach with 2:53 left when MSU scored on a four-yard run. UNI didn't give up, however, with Horne scoring on a two-yard run with 1:14 left. An on-side kick attempt was recovered by MSU.

OCT. 15 • UNI-DOME • 12,449

**CEDAR FALLS, Iowa** — The nearly 13,000 fans that packed the UNI-Dome on Homecoming saw the Panthers literally run over Indiana State. The game especially was sweet for quarterback Dexter Hill, who led the Panthers in his first UNI win in the absence of Eric Sanders.

The contest began with a stifled ISU opening drive, a trend that persisted throughout the game. After three plays and zero yards, the Sycamores punted and braced for a UNI six-play, 34-yard march. Terrance Freene highlighted the drive with four carries and 26 yards, including a one-yard TD lunge. ISU needed 14 plays to march 74 yards to punch in a 16-yard field goal to put its first points on the board.

David Horne put the Panthers on his back and carried them to seven more points with three carries for 68 yards, including a 40-yard TD spring, during UNI's five-play, 78-yard drive to an 11-point lead. The half ended with the score 14-3 after Brannon Carter intercepted Sycamore quarterback Blayne Baggett's pass to end the threat. The Panthers opened the third quarter with a healthy heaping of Horne, handing him the ball eight times in their 10-play drive that culminated with a Brian Wingert 25-yard field goal and a 14-point UNI lead. ISU cut the lead to one score when Baggett connected with Ben Schmidt for a 20-yard TD strike, but UNI answered when Hill scampered seven yards to pay dirt and a 24-10 lead heading into the fourth quarter. Freene carried three times for 50 yards, including a 10-yard TD, with 10:38 remaining in the game for the final 31-10 margin.

# 2005 GAME-BY-GAME

## ILLINOIS STATE UNI

OCT. 22 • NORMAL, ILL. • 12,626

**NORMAL, ILL.** — A wounded UNI football team went up against a confident Illinois State squad. It was the worst regular-season loss to a non-I-A team since losing 52-9 at home to Southern Illinois in the 1983 season.

The Redbirds were coming off a 61-35 upset of then No. 1-ranked Southern Illinois on the road the previous week and were not about to disappoint a Family Day crowd announced at 12,626.

The contest swung in ISU's favor on the very first play from scrimmage with quarterback Luke Drone tossing a 36-yard pass to Laurent Robinson, reaching UNI's 44-yard line. Eight plays later, ISU scored on a nine-yard run by Brian Thompson and the Redbirds led 6-0 after the PAT attempt went wide left. ISU scored again on its next possession on a four-yard pass to Tristan Borzick and the two-point conversion pass made it 14-0 Illinois State with 6:36 left in the first quarter.

UNI had a chance to close the margin when Dexter Hill drove the team from the 18-yard line to the ISU six, but he fumbled the ball and it was recovered by ISU's Cameron Siskowic with 2:35 left in the first period. The Panthers trailed 21-0 at the half after Robinson scored on a 46-yard reception at the 10:09 mark.

The Panthers got on the board with 12:27 left in the third quarter on a 31-yard field goal by Brian Wingert, but that was all they could muster. The last time UNI failed to score a touchdown was the opening game of 2004 when it lost 23-0 at I-A Iowa State.

## UNI YOUNGSTOWN STATE

OCT. 29 • UNI-DOME • 11,242

**CEDAR FALLS, Iowa** — As Eric Sanders goes, so go the Panthers. With the injured signal caller back under center, UNI played with a fire that was absent without him and the Panthers routed the 11th-ranked Youngstown State Penguins, 21-7.

Though this was Sanders' big return after missing the previous two games, senior David Horne stole the spotlight, rushing for a UNI career- and team season-high 142 yards and three TDs on 26 carries. The Panthers pounded the Penguin front seven for 280 total rushing yards.

The Panthers broke the stalemate on their third possession, a seven-play, 65-yard march highlighted by a 26-yard end-around by Jason Breeland and a one-yard TD dive by Horne.

The Penguins struck back mid-way through the second quarter with a 12-play, 83-yard drive topped off by a 10-yard TD hookup from Tom Zetts to Derrick Bush. After a Sanders interception put the ball back in the Penguins' hands, the Panthers stuffed YSU on four-and-one to take over on downs. Horne took it from there, carrying three times for 60 yards, including a 33-yard TD scamper to put the score at 14-7. The UNI defense held, and the half ended.

The Panthers opened the fourth quarter on the Penguin 37 and they spent seven plays, including a two-yard TD lunge by Horne, to bring the score to 21-7. The Panther defense played tough from then on, keeping YSU out of the end zone to preserve the victory.

## UNI WESTERN KENTUCKY 23 (20T) 20

NOV. 5 • BOWLING GREEN, KY. • 12,364

**BOWLING GREEN, Ky.** – Eric Sanders connected with Justin Surrency for a 20-yard TD strike to beat No. 6 Western Kentucky in double overtime. Sanders finished the night 24-of-29 passing with no interceptions for 235 yards and the decisive TD strike while also scoring on a one-yard TD run in the first OT period.

The Hilltoppers struck first as the opening quarter dwindled, putting the ball through the uprights from 52 yards to take a 3-0 lead with just 1:21 left before the second quarter. The Panthers tied the score with a 24-yard field goal by Brian Wingert midway through the second period. Wingert had missed from 28 and 34 yards earlier. WKU drove 80 yards in just under six minutes to take a 10-3 lead with just 30 seconds remaining in the half.

The Panthers tied the game again with an electrifying 70-yard TD punt return by Johnny Gray, setting the stage for a dramatic defensive stand as the fourth quarter expired. The Hilltoppers drove to the UNI 20 and stopped the clock with three seconds left. The ensuing field goal was wide right, but an offside penalty on the Panthers moved the ball five yards closer, giving WKU kicker Chris James another shot at the win. UNI's Everett Pedescleaux blocked the second attempt, sending the game into overtime.

Sanders scored on his one-yard run, but WKU's Stephen Willis, replacing the injured Leron Moore, scored on a one-yard run to send the game into a second overtime session. WKU kicked a 33-yard field goal to take a 20-17 lead, but Sanders found Surrency on the sideline to give UNI the 23-20 win.

## UNI SOUTHERN ILLINOIS 25 24

NOV. 12 • UNI-DOME • 15,536

**CEDAR FALLS, Iowa** – Shades of Tom Petrie to Marlus Mays from the 2003 season echoed through the raucous UNI-Dome as Eric Sanders fired a 35-yard TD strike on fourth-and-two to Jamie Goodwin to give the Panthers a 25-24 come-from-behind victory over No. 4-ranked Southern Illinois. The win secured the Panthers a share of the Gateway Football Conference title and the league's automatic berth to the Division I-AA playoffs.

Both teams chewed through the first quarter quickly, trading long drives and finishing the period with the Salukis on top, 3-0. SIU took a 10-0 advantage midway through the second quarter on a 12-yard touchdown run by Arkee Whitlock. The Panthers answered quickly when Sanders found Goodwin for a 32-yard touchdown connection to bring UNI within three points. SIU extended its lead late in the half with a 25-yard touchdown reception by Kellen Allen, taking a 17-10 lead into the locker room at the break.

The Panthers drove 55 yards in 13 plays to set up a 46-yard field goal by Brian Wingert, who earlier had missed on a 42-yard attempt. SIU took a two-touchdown lead on its next possession, driving 68 yards to pay dirt to secure a 24-10 advantage as the third quarter came to a close.

Darin Heideman, who was named the league's Defensive Player of the Week and The Sports Network's co-national Defensive Player of the Week, recovered a Saluki fumble to set up a 13-yard scoring strike from Sanders to Hunter. The Panther defense stuffed the Saluki attack and forced a punt with just under five minutes remaining in the contest. Sanders rushed seven yards on first down and threw an incomplete pass on second down, while David Horne rushed for a gain of one on third down to set up the climactic fourth-and-two conversion. Sanders found Goodwin for the second 30-plus-yard touchdown of the game to put UNI ahead 25-24 with 2:38 left.

The Panther defense stood tall, forcing a fourth-and-four situation with a massive and rowdy crowd behind it. Heideman played hero, dropping Whitlock a yard short of the marker and capturing the victory for the Panthers.

## UNI NORTHERN ARIZONA NOV. 19 • UNI-DOME • 8,142

**CEDAR FALLS, Iowa** – Senior linebacker John Hermann and a fierce defensive effort propelled UNI to a 41-17 senior night victory over Northern Arizona in the UNI-Dome. Hermann led the team with eight tackles, including a school-record 5.5 tackles for loss and a record-tying four sacks.

Five turnovers, including three by the Panthers, in the first five minutes of the ball game highlighted the opening quarter. UNI's first turnover, a fumble by quarterback Eric Sanders on a sack, led to an NAU field goal and a 3-0 Lumberjack advantage.

The Panther defense recovered an NAU fumble inside the Lumberjack five and David Horne scored on a one-yard run. Terrance Freeney highlighted the following UNI drive with four rushes for 32 yards, including an eight-yard TD scamper to put the score at 14-3. That was the margin at the half.

UNI sprinted out of the locker room with a 41-yard TD connection between Sanders and Justin Surrency to take a 21-3 lead. NAU answered with a 35-yard TD strike to cut the Panther lead to 21-10. Horne carried the Panthers on the ensuing drive, rushing four times for 51 yards, including a one-yard TD lunge to put the score at 28-10.

Brian Wingert kicked field goals of 20 and 40 yards on the next two drives to put the score at 34-10, but the Lumberjacks returned a Corey Lewis fumble 66 yards to pay dirt to make it 34-17 as the third quarter came to a close. Lewis made up for the miscue with a 33-yard TD sprint midway through the fourth quarter for the final margin.

## UNI EASTERN WASHINGTON NOV. 26 • UNI-DOME • 7,746

**CEDAR FALLS, Iowa** – With a dramatic 31-yard kick with just 51 seconds remaining in the game, kicker Brian Wingert gave UNI a 41-38 victory over No. 15-ranked Eastern Washington in the first round of the I-AA playoffs in the UNI-Dome. UNI scored 17 unanswered points in the fourth quarter to overcome a 14-point deficit against EWU.

Defense was an afterthought for both squads during the bulk of the game. The offenses combined for 79 points and nearly 1,000 yards of offense, with over 700 yards through the air. The Panther defense peaked when it mattered; stopping the Eagle offense on its final three drives to allow Eric Sanders and company to charge back into the game.

EWU set the tone on its opening drive, marching 73 yards in 10 plays to take an early 7-0 lead. UNI tied the game and later took the lead with a pair of one-yard TD lunges by David Horne. The Panthers took a 14-7 lead into the second quarter.

The Eagles rebounded early in the second frame with a 13-yard TD connection between Walter Payton candidate, quarterback Erik Meyer and receiver Raul Vijil. The Panthers drove 64 yards in 11 plays to set up a 37-yard field goal by Wingert and a 17-14 advantage. EWU countered with an 11-play, 80-yard drive culminating in a 24-yard TD scamper by Meyer and a 21-17 Eagle lead. A four-yard TD strike from Sanders to Justin Surrency gave the Panthers a 24-21 advantage heading into the locker room.

The Eagles owned the third quarter, scoring 10 points and stifling the UNI offense five times to take a 31-24 lead into the fourth quarter. Meyer's second TD hookup with Vijil gave the Eagles a 38-24 lead with less than 11 minutes remaining in the contest. Sanders found James Lindgren for an eight-yard TD to halve the lead and put the Panthers in striking distance.

The defense stuffed the ensuing EWU drive while the offense put together a nine-play, 61-yard scoring march highlighted by a spectacular 36-yard diving catch by Curt Bradley and a four-yard TD rush by Horne. The Panthers drove 55 yards with help from a 28-yard sprint by Horne to set up the game-winning field goal with just 51 seconds left on the clock. Michael Matthes swatted Meyer's fourth-down pass to the turf to seal the victory.

## UNI NEW HAMPSHIRE

DEC. 3 • DURHAM, N.H. • 8,448

**DURHAM, N.H.** — UNI hung on for a thrilling 24-21 victory over No. 1 ranked and seeded New Hampshire on the road in the I-AA quarterfinals, the first win on the road in the quarterfinals in school history.

The Panthers jumped out to a commanding 21-0 lead only 23 minutes into the game, but needed a fourth-quarter field goal from junior Brian Wingert to earn the win, the second consecutive game he's kicked the game-winning goal. Senior running back David Horne rushed for a career-high 144 yards on 28 carries and scored the first two TDs of the game, including a 40-yard run on the opening series and a 32-yard middle screen from sophomore Eric Sanders, which gave the Panthers a 14-0 lead with 9:36 to go in the second quarter. Senior Terrance Freeneey finished off the first half scoring on a one-yard run with 7:03 left in the second quarter.

UNH's powerful offense seemed to come alive after trailing 21-0. Led by Walter Payton Award finalist, sophomore Ricky Santos, the Wildcats cut into the Panthers' lead with two TD passes in the two minutes of the half. Santos hooked up with junior all-American David Ball for an eight-yard score with 1:49 left in the half and the tandem made contact again on a 29-yard pass play with just 40 seconds left.

UNH knotted the game at 21 with 1:39 to go in the third period on Santos' third TD pass to Ball, this time from 29 yards following a nine-play, 83-yard drive. But the Panthers responded with a dominating defensive effort in the fourth quarter and the field goal. After forcing two fumbles in the third quarter, UNI tossed a shutout in the fourth period to protect the three-point advantage.

## UNI TEXAS STATE

40  
(OT) 37

DEC. 9 • SAN MARCOS, TEXAS • 15,712

**SAN MARCOS, Texas** — The University of Northern Iowa Panthers and the Texas State University Bobcats came out firing in an old fashioned southwest Texas shootout in the NCAA I-AA football semifinals. But UNI was able to fire the last shot and advanced to its first-ever NCAA I-AA national championship game with a 40-37 overtime victory over Texas State.

The Panthers used a third-straight game-winning field from junior place kicker Brian Wingert and a game-ending interception from junior free safety Matt Tharp to advance to the title game. It was the first interception of Tharp's collegiate career.

Sophomore quarterback Eric Sanders put on an offensive show as he completed his first nine passes for 200 yards and three touchdowns. Sanders finished the day as his finest so far as a Panther signal-caller. Sanders passed for a career-high 417 yards and tied a career-best with 24 completions.

The Bobcats scored from two yards out to increase the Texas State lead to eight points, 37-29, with 5:01 left in the game. With their backs against the wall and the season on the line, the Panthers found a way. Senior running back David Horne scored on a two-yard run to pull the Panthers to within a two-point conversion of tying the game. Sanders then rolled left and lofted a pass into the back of the end zone where Surrency grabbed it out of the air and hung on for the game-tying catch.

Inexplicably, Texas State head coach David Bailiff told his squad to take a knee and the final 1:16 went off the clock without even an attempt to move the ball down the field. Texas State had all three timeouts and seemed happy with its chances in overtime.

The Panthers settled for a field goal in their first possession of overtime as Wingert drilled a 25-yard field goal. The three-pointer gave the Panthers a 40-37 lead and the victory as Tharp's interception ended the game on the Bobcat possession.

# 2005 GAME-BY-GAME

## APPALACHIAN STATE UNI

21  
16

DEC. 16 • CHATTANOOGA, TENN. • 20,236

**CHATTANOOGA, Tenn.** — The University of Northern Iowa football team's 2005 journey was filled with last second heroics and nail-biting finishes. The 2005 NCAA I-AA national championship game was no different.

The Panthers would not have it any other way. Unfortunately in UNI's first national title game appearance, the Appalachian State University Mountaineers scored a 21-16 victory. It was the first national title for the Mountaineers and head coach Jerry Moore.

"It's disappointing of course, but at the same time we've had a great season with a great group of players," UNI head coach Mark Farley said. "Appalachian State has a great football team. It's a game of inches and in this one we didn't have the inches fall in our decision.

"This season has been one that will be remembered. It was outstanding to see the number of UNI people that this brought together. It put a little hop in their step because of the pride."

The game was played at Max Finley Stadium/Davenport Field in front of 20,236 fans. It was the largest crowd for the NCAA I-AA national championship game since moving to Chattanooga and the largest crowd since 1996. The game was also broadcast nationally on ESPN2.

UNI broke into the scoring column first on a career-best 50-yard field goal from junior Brian Wingert. The Panthers took the opening drive of the game and moved the ball 41 yards in nine plays but the drive stalled and Wingert drilled the three-pointer.

The Panthers forced the first turnover of the game on the ensuing kickoff. UNI redshirt freshman Corey Lewis recovered the loose ball to set up the Panthers at the Appalachian State 24-yard line. UNI was unable to punch it in the end zone was able to tack on three more points via Wingert's foot. Wingert split the uprights from 24 yards out to give UNI a 6-0 lead with 9:45 to go in the first quarter.

The Mountaineers took their first lead of the game early in the second quarter on a five-yard touchdown run from sophomore running back Kevin Richardson.

Richardson's score gave Appalachian State a 7-6 lead at the 13:18 mark of the quarter.

UNI senior safety Tanner Varner turned the tables on the Mountaineers with an interception midway through the second quarter. Varner stepped in front of a Trey Elder pass to put the Panthers in position to retake the lead.

Senior running back David Horne did just that when he scored from two yards out with 8:20 left in the second quarter. The score put UNI up 13-7. For Horne it was his 17th rushing touchdown of the season and broke the UNI single-season rushing touchdown record.

The Panther defense came up big again late in the second quarter. Senior linebacker Darin Heideman forced a fumble and junior safety Matt Tharp jumped on the ball to give the Panthers another short field.

The UNI offense threatened to add another touchdown before the half the Appalachian State defense held and forced a Wingert field goal. Wingert drilled his third three-pointer of the game from 31 yards to put UNI on top 16-7 with 1:09 remaining in the half.

"Of course you always want to try to get seven points, but this is a very good defensive football team," Farley said. "We knew the two defensive ends were good and the secondary was good. This was a defensive football game. This wasn't going to be a shootout. I wish we had gotten one touchdown out of it, but it was 16-14 going into the fourth quarter. We were right where we wanted to be."

Appalachian State broke through in the second half with a one-yard touchdown run by Richardson to trim the UNI lead to 16-14 with 6:05 to go in the third quarter.

The majority of the third and fourth quarters were dominated by both defenses and then the Mountaineer defense made a game-changing play. Appalachian State's Jason Hunter scooped up a fumble by UNI sophomore quarterback Eric Sanders and took it 15 yards for a touchdown to give the Mountaineers a 21-16 lead with 9:14 left in the game.

# PANTHERS IN THE PROS

At press time, UNI had a total of 10 student-athletes competing in the NFL. Five of those active players were draftees.

Defensive back **Brent Browner** currently is playing for the Austin Wranglers of the Arena League. In 2005, Browner recorded 36 tackles and tallied one interception for the Wranglers. He also spent the first two games of 2004 on injured reserve after being activated in March of 2003. He originally signed as a free agent in October of 2003. In 2003, he spent time with the Detroit

Fury and 2002 with the Quad City Steamwheelers. Browner was a three-year starter at corner for the Panthers.

**Daryon Brutley** was a standout corner at UNI after transferring from Southern Mississippi. In 2004, Brutley signed a free agent contract with the Carolina Cobras of the Arena Football League. Prior to Carolina, he signed with the Ohio Valley Greyhounds of the United Indoor Football Association. Previously, he signed as a free agent with the Buffalo Bills in 2002, then later was signed by the Philadelphia Eagles in 2003. He was drafted as the first pick in the third round by NFL Europe's Berlin Thunder following his stay in Philadelphia. Brutley was a second team all-conference choice in 2001.

Punter **Derrick Frost** joined the Redskins in 2005 and played in 14 games, logging 76 punts for a 40.4-yard punting average and a 36.7 net punting average. Frost also served as the holder on field goals for the Redskins. In 2004, Frost was the punter for the Cleveland Browns, totaling 85 punts for 3,404 yards (40.0 avg.) and a 35.4 net average. He signed a free agent contract with the Philadelphia Eagles on May 2, 2003. He was waived on May 13 and was claimed on waivers by Baltimore on May 27. Waived by Baltimore on Aug. 30, he was signed by Cleveland as a free agent on Dec. 10 and to the active roster on Dec. 12. A second team all-conference choice for the Panthers in 2002, Frost set school records for average in a game (52.0) and season (43.6).

Wide receiver **Mike Furrey** will join Detroit's receiving corps after converting from receiver to safety for St. Louis prior to last season. He became the Rams' starting free safety after their fifth game in 2005 and finished the season with a team-leading four interceptions, including a 67-yard interception return for a touchdown. Furrey registered 55 tackles (39 solo) through 16 games

(11 starts). In 2004, Furrey played in eight games as a reserve wide receiver. He was also a strong contributor on special teams, finishing second on the team with 13 tackles in addition to eight kickoff returns for 157 yards (19.6). In his first year with the Rams in 2003, Furrey had 20 receptions for 189 yards through 13 games. Prior to joining St. Louis, Furrey was leading the AFL in receptions (108), receiving yards (1,574), receiving touchdowns (46, tying an AFL record for touchdowns in a single season), and points (288) as a wide receiver for the New York Dragons. In 2002, he led the Dragons with 74 receptions for 1,055 yards and 27 touchdowns on his way to being named the 2002 All-Ironman player. Furrey's first season of pro football was in 2001 when he played for the Las Vegas Outlaws of the XFL. He played in nine games and registered 18 receptions for 243 yards and a touchdown. An all-American who played for the Panthers from 1997-99, he signed a free agent contract with the Indianapolis Colts after his senior year in 2000

but was released. He also spent time in the New York Jets training camp in 2002 before heading to the Arena Football League's New York Dragons.

Wide receiver **Jamie Goodwin** signed a free agent contract with the Indianapolis Colts in April 2006. Goodwin tallied 27 catches for 576 yards and four touchdowns as a senior for the Panthers in 2005. Goodwin caught the game-winning 35-yard touchdown pass against Southern Illinois to clinch the 2005 Gateway Conference title for the Panthers. Goodwin was an honorable mention all-Gateway selection following the 2005 season.

Tight end **Ryan Hannam** became UNI's 12th NFL pick when he was chosen in the 2002 draft in the fifth round by the Seattle Seahawks. Hannam played in his first Super Bowl as a member of the Seahawks in 2005. Hannam caught two passes for 12 yards in Super Bowl XL, but the Seahawks fell to the Pittsburgh Steelers, 21-10. Hannam signed a

four-year \$5 million contract with the Dallas Cowboys prior to the 2006 season. Hannam was a two-year starter for the Panthers. He was an honorable mention all-American by Don Hansen's National Weekly Football Gazette.

All-American kicker **Mackenzie Hoambrecker** joined the Kansas City Brigade of the Arena Football League in the middle of the 2006 season. He signed a free agent contract with the San Diego Chargers in 2003. He was released on the final roster cut before being re-signed to the practice squad on Sept. 1. He then was cut in August 2004 and signed with the Philadelphia Eagles in January 2005. He was destined to play in Europe but sustained a quad injury, resulting in his being cut in the spring of 2005.

**Brad Meester** became UNI's highest pick in the NFL draft when he was selected by the Jacksonville Jaguars in the second round, the 60th pick overall, in 2000. He made the transition from guard to center in 2003 after three years as starter at left guard. Meester returned to his collegiate position, though he had never played center in an NFL game, and anchored one of the best offensive lines in the NFL in 2003. He had started 80 straight games at left guard and center, never missing a game during his career through the 2004 season. His string of 80 consecutive games is the most in Jaguars history, and is the only Jaguars player to start the first 80 regular-season games after being drafted. Meester missed four games in the 2005 season, but still started 12 games for the Jaguars. He was a two-time all-American center for the Panthers.

Defensive back **Justin Sandy** signed a free agent contract with the Tennessee Titans in April of 2004. He later was cut, then reinstated to the practice squad. He did receive playing time briefly last season before an ankle injury sidelined him. Sandy played in two games in 2005 for the Titans and recorded two tackles. Sandy was named first team all-conference in 2003 after leading the Panthers in tackles with 93 total, along with four forced fumbles, nine deflections and three interceptions. He played in the Blue-Gray Classic.

Defensive back **Benny Sapp** signed a free agent contract in the spring of 2004 with the Kansas City Chiefs. Sapp has played in 31 career games for the Chiefs and has recorded 56 total tackles, nine pass breakups and two forced fumbles. He tallied his first professional interception in the 2004 season. Sapp played two years for the Panthers after transferring from Iowa. He led the Panthers in 2003 with 19 deflections to go along with 48 total tackles and two interceptions. He played both sides of the ball his senior year, lining up at times as a receiver, and returned kicks. He was a first team all-conference pick in 2003.

Tight end **Andy Thorn** signed a free agent contract with the Philadelphia Eagles in the spring of 2005. Thorn was released by Philadelphia in September 2005, but was then re-signed to the Eagles' practice squad for the remainder of the 2005 season. Thorn played two years for the Panthers after transferring from Iowa and was an honorable mention all-conference pick in 2004.

1994 UNI starting quarterback **Kurt Warner** holds the NFL record for highest completion percentage (65.7 percent) entering the 2006 season. Warner is second-rated passer in NFL history with a 94.1 quarterback rating heading into the 2006 season. Warner signed with the Iowa Barnstormers of the Arena League in 1995 after being cut by the Green Bay Packers. He signed with the St. Louis Rams in 1998 and played with Amsterdam in NFL Europe.

A two-time NFL Most Valuable Player (1999 and 2001) and the MVP of Super Bowl XXXIV, when he led the Rams to 23-16 victory over the Tennessee Titans, Warner also led St. Louis to Super Bowl XXXVI, where the Rams lost to New England 20-17. In 1999, Warner passed for 4,353 yards and 41 touchdowns. In 2001, Warner passed for 4,830 yards and 36 touchdowns. After six seasons in St. Louis, Warner joined the New York Giants in 2004 and he passed for 2,054 yards and six touchdowns in only 10 games. After the 2004 season, Warner signed a one-year deal with the Arizona Cardinals. In 2005, Warner played in 10 games for the Cardinals and passed for 2,713 yards and 11 touchdowns. Following the 2005 season, Warner inked a multi-year deal with the Cardinals.

## INACTIVE

Two-time all-American linebacker and Gateway Conference Defensive Player of the Year **Andre Allen** signed a free agent contract in 1995 with the Philadelphia Eagles, but didn't survive the cut. He played for the London Monarchs of the World Football League eight years ago, was with the Iowa Barnstormers of the Arena League in 1997 and was traded to Nashville in 1998.

## 2005 DIVISION I-AA

### FIRST ROUND

**November 26, 2005, at Cedar Falls, Iowa**  
(Attend. 7,746)

Eastern Washington	7	14	10	7	38
UNI	14	10	0	17	41

**Highlights:** UNI advanced to the quarterfinals with a dramatic 41-38 win over No. 15-ranked Eastern Washington. Eastern Washington scored first but the UNI took its first lead of the game after a pair of one-yard touchdown runs by David Horne. EWU battled back behind the arm of Walter Payton Award winner Erik Meyer and took a 21-17 lead late in the second quarter. But again the Panthers responded – this time an Eric Sanders-to-Justin Surrency touchdown pass gave UNI a 24-21 halftime lead. The Eagles took control of the game in the third quarter with a touchdown and field goal and appeared to lock the game away in the fourth quarter with another touchdown to give them a 38-24 lead. However, the Panthers would rally behind the arm of Sanders and feet of Horne to tie the game at 38-38. EWU could not move the ball and punted the ball back to the Panthers with 3:43 remaining in the fourth quarter. The Panthers drove 55 yards with help from a 28-yard sprint by Horne to set up the game-winning 31-yard field goal by Brian Wingert to win it with 51 seconds left in the game.

UNI	7	14	0	3	24
New Hampshire	0	14	7	0	21

**Highlights:** UNI hung on for a thrilling 24-21 victory over No. 1-ranked New Hampshire in the I-AA quarterfinals. It was the first road win in the quarterfinals in UNI's playoff history. UNI jumped out to a commanding 21-0 lead only 23 minutes into the game, but needed a 22-yard field goal from Brian Wingert at the 11:50 mark of the fourth quarter for the winning margin. Turnovers and fourth-down conversions played a big role in the contest as UNH fumbled the ball to UNI three times and the Wildcats finished 1-for-7 on fourth down conversions.

# POSTSEASON APPEARANCES

Eric Sanders put on an offensive show as he completed his first nine passes for 200 yards and three touchdowns. Sanders finished the day as his finest so far as a Panther signal-caller. Sanders passed for a career-high 417 yards and tied a career-best with 24 completions. UNI was able to force the overtime by driving 72 yards in 10 plays with senior running back David Horne capping the drive with a four-yard run with 1:27 left in the game. Sanders then connected with senior wide receiver Justin Surrency for the two-point conversion that knotted the game at 37-37. Inexplicably, Texas State head coach David Bailiff told his squad to take a knee and the final 1:16 went off the clock without even an attempt to move the ball down the field. Texas State had all three timeouts and seemed happy with its chances in overtime. Wingert's three-pointer gave the Panthers a 40-37 in overtime. The Panther defense clinched the victory when Todd Tharp intercepted a Barrick Nealy pass in overtime to set off a wild Panther celebration.

## 2005 DIVISION I-AA

### NATIONAL CHAMPIONSHIP

**December 16, 2005, at Chattanooga, Tenn.**

**(Attend. 20,236)**

UNI	6	10	0	0	16
Appalachian State	0	7	7	7	21

**Highlights:** The University of Northern Iowa football team's 2005 journey was filled with last second heroics and nail-biting finishes. The 2005 NCAA I-AA national championship game was no different. The Panthers would not have it any other way. Unfortunately in UNI's first national title game appearance, the Appalachian State University Mountaineers scored a 21-16 victory. UNI broke into the scoring column first on a career-best 50-yard field goal from junior Brian Wingert. The Panthers took the opening drive of the game and moved the ball 41 yards in nine plays but the drive stalled and Wingert drilled the three-pointer. The Panthers forced the first turnover of the game on the ensuing kickoff. UNI redshirt freshman Corey Lewis recovered the loose ball to set up the Panthers at the Appalachian State 24-yard line. UNI was unable to punch it in the end zone was able to tack on three more points via Wingert's foot. The Mountaineers took their first lead of the game early in the second quarter on a five-yard touchdown run from sophomore running back Kevin Richardson. UNI senior safety Tanner Varner turned the tables on the Mountaineers with an interception midway through the second quarter. Varner stepped in front of a Trey Elder pass to put the Panthers in position to retake the lead. Senior running back David Horne did just that when he scored from two yards out with 8:20 left in the second quarter. The Panther defense came up big again late in the second quarter. Senior linebacker Darin Heideman forced a fumble and junior safety Matt Tharp jumped on the ball to give the Panthers another short field. The UNI offense threatened to add another touchdown before the half the Appalachian State defense held and forced a Wingert field goal. Appalachian State broke through in the second half with a one-yard touchdown run by Richardson to trim the UNI lead to 16-14 with 6:05 to go in the third quarter. The majority of the third and fourth quarters were dominated by both defenses and then the Mountaineer defense made a game-changing play. Appalachian State's Jason Hunter scooped up a fumble by UNI sophomore quarterback Eric Sanders and took it 15 yards for a touchdown to give the Mountaineers a 21-16 lead with 9:14 left in the game.

## 2003 DIVISION I-AA

### FIRST ROUND

**November 29, 2003, at Cedar Falls, IA**

## 2003 DIVISION I-AA

### QUARTERFINALS

**December 2, 2003, at Newark, Del.**

**(Attend. 11,881)**

UNI	0	7	0	0	7
Delaware	17	0	10	10	37

**Highlights:** UNI's season came to a close at third-ranked and second-seeded Delaware. The first major snow storm of the season snarled travel plans on the East Coast, delaying the Panthers' departure on Friday and forcing the team charter to fly into Baltimore, Md., followed by over an hour bus ride to Newark. The game's kickoff was delayed by half an hour, allowing UD staff to clear snow off the field. Though it stopped snowing prior to kickoff, a stiff wind caused havoc in the kicking and passing games. To make matters worse, UNI quarterback Tom Petrie was suffering from the flu and with a high temperature. The

Panthers fell behind 17-0 with 4:42 left in the first quarter. The Blue Hens scored on a two-yard run with 9:17 left. Following a blocked UNI punt that was returned to UNI's nine yard line, and a pass interference call in the end zone, UD went up 14-0 on a three-yard run at the 6:24 mark. Benny Sapp fumbled the ball on the ensuing kickoff return, eventually resulting in a UD 24-yard field goal. The Panthers got back in the game when Petrie scored on a one-yard run with 13:50 left in the half. The score followed a Blue Hen fumble recovered by Kevin Stensrud on the UD 49. UNI had a chance to pull within 17-14 or 17-10 with just 4:09 remaining, but Petrie's pass to Marlus Mays was intercepted on the two yard line, and the Panthers never really threatened after that.

## 2001 DIVISION I-AA

**(Attend. 6,824)**

UNI	10	15	14	10	49
Eastern Illinois	7	13	8	15	43

**Highlights:** UNI won just its second I-AA road playoff game in history when it outlasted No. 3-ranked Eastern Illinois. UNI's 49 points scored tied a school playoff record for points, matching the 49 scored against Arkansas State in the 1987 quarterfinals. EIU's J.R. Taylor broke loose for a 49-yard rushing TD with 5:03 left in the second quarter to pull EIU within two points. A one-yard plunge by UNI's Adam Bengé with 2:33 left put UNI up 23-14. Eastern closed ranks again with a 39-yard pass play, but UNI's Adam Vogt blocked the PAT attempt and Daryon Brutley returned it for two UNI points. UNI never trailed in the second half, but EIU did close the gap to three points, 39-36, with 14:08 left in the game. After UNI went up 49-36 with 6:58 remaining on Mackenzie Hoambrecker's 27-yard field goal, EIU ended all scoring with 3:27 left on a three-yard pass play. The Panthers were able to run out the clock for the victory.

UNI's Adam Bengé set school playoff records when he rushed for 177 yards and four TDs on 29 carries in the win over Eastern Illinois.

UNI	7	7	0	7	21

**Highlights:** UNI defeated No. 14-seeded and No. 16-ranked Eastern Illinois in a game typical of the series between these two teams -- the outcome not decided until the final second. The Panthers scored the winning TD with 7:02 left in the game. EIU fumbled on its next two possessions, with UNI's Steve Beard intercepted in between. Then Beard fumbled and EIU got the ball back at the 3:19 mark. Eastern got down to UNI's two yard line. Quarterback Mike Simpson pitched to running back Chris Szarka, who in desperation threw an incomplete pass in the end zone to tight end Mike Mangan as time ran out.

## 1996 DIVISION I-AA QUARTERFINALS

**December 7, 1996, at Cedar Falls, Iowa  
(Attend. 10,796)**

William & Mary	0	0	28	7	35
UNI	17	10	8	3	38

**Highlights:** UNI defeated No. 8 seeded and No. 7-ranked William & Mary, holding the Tribe to only 67 yards, including minus-27 rushing, in the first half while gaining 293 yards itself. But W&M came back to tie the score at 35 with 5:40 left in the game. Matt Waller's 32-yard field goal with 2:13 left gave UNI the win. His field goal was set up by W&M's Darren Sharper's fumble on a punt return which was recovered by the Panthers at the Tribe 30. UNI's Dedric Ward fell just short of a I-AA playoff record with 11 catches for 245 yards and two TDs. Jeff Stovall gained 55 yards and scored twice before leaving the game in the second half with an ankle injury. Steve Beard's 360 passing yards was a career high.

## 1996 DIVISION I-AA SEMIFINALS

**December 14, 1996, at Huntington, W.Va.  
(Attend. 14,414)**

UNI	0	0	0	14	14
Marshall	7	3	14	7	31

**Highlights:** UNI's playoff nemesis, No. 1-ranked and No. 2 seeded Marshall, pulled out another win to advance to the national championship game. It was the fourth time the Panthers fell one game short of making the title game. Alonzo Clayton's 58-yard punt return set a school playoff record, while Marshall tied a UNI mark with four rushing TDs. Matt Waller's 44-yard blocked field goal at the end of the first half was a heartbreaker and would have put the Panthers only a TD down at intermission.

Alonzo Clayton's 58-yard punt return set a school playoff record in the 1996 semifinal game against Marshall. He tied a school playoff record with three TDs in the first round game in 1995 against Murray State.

## 1995 DIVISION I-AA FIRST ROUND

**November 25, 1995, at Murray, Ky.  
(Attend. 7,633)**

UNI	7	14	7	7	35
Murray State	0	14	7	13	34

**Highlights:** UNI advanced to the quarterfinal round after defeating No. 4-ranked/seeded Murray State. The victory marked UNI's first road win in the I-AA playoffs following five losses. The Panthers were one of two lower seeds to win their first-round games. UNI never trailed in the game. Alonzo Clayton tied a school playoff record with three TDs. MSU tied the game at 21-all with 9:05 left in the third quarter, but Chris Berg's 60-yard pass to Matt Harken with nine seconds left put the Panthers back up 28-21. MSU tied the game again with 10:24 remaining and Berg's 13-yard pass to Dedric Ward gave UNI a 35-28 lead. Matt Waller's fifth extra point of the day also tied a school playoff record. With 1:26 left, MSU scored on a seven-yard run, but Clayton blocked the extra point, snapping a streak of 79 straight PATs. Ward recovered the ensuing onside kick and UNI was able to run out the clock.

Sylvester Brown rushed for a game-high 147 yards on 13 carries and Dedric Ward caught two passes for 77 yards, but UNI could not contain UM's Dave Dickenson, who completed 38-of-50 passes for 436 yards and two TDs. His leading receiver was Shalon Baker with eight catches for 145 yards.

Boston tied the game at 21-all with 3:14 left in the game. In the first overtime, UNI's Todd Harrington intercepted a BU pass on the one-yard line and Scott Obermeier's 20-yard field goal attempt hit the right upright. Obermeier missed a 32-yard attempt in the second overtime. After BU's 33-yard field goal attempt was blocked by Myron Glass, Andre Allen was flagged for a questionable facemask penalty and the Terriers got the ball back on the eight yard line. Despite holding YSU to 253 yards, over 100 yards below its average, and containing rushing threat Tamron Smith to 98 yards, the Panthers couldn't overcome three lost fumbles, an interception, the fact that all-American Kenny Shedd played only in the first half with a hip pointer, and a 71-yard punt return for a touchdown on YSU's first possession to put the Penguins up 7-0. The loss broke UNI's 25-game home winning streak. UNI's only score was a one-yard run by Jay Johnson with eight seconds left in the third quarter.

YSU scored on the punt return and four field goals, the longest being 54 yards. UNI compiled 319 yards.

# THE PROGRAM

# WALK-ON TRADITION

## UNI'S Walk-On Tradition

Walk-ons have played an important role in UNI's successes on the field and in the area of academics.

Walk-ons always have played a key role in the success of UNI's football program, particularly at the I-AA level where there is a limited number of scholarships available.

While many of these valuable assets to the program go largely unnoticed on game days and in the press, they haven't been overlooked or ignored by coaching staffs. Walk-ons aid in smoother practices and help ensure the best preparation for Saturdays. Some have played their way to scholarships, starting roles and all-America honors.

This is a "Panther high five" to those dedicated players, some with familiar names, some with not. The tradition of UNI football would not have been possible without their contributions.

**JAMES LINDGREN,**  
**UNI Senior WR**

"Since the moment I walked on to the team, I've felt like I've had to prove myself. I knew I was at the bottom of the totem pole, and I would have to work hard to earn respect from the coaches and players. Walk-ons aren't guaranteed much of anything from the program, other than a chance to prove ourselves, and that is why we have to work that much harder. My physical and emotional strength has been tested greatly, and with God's help I feel like I've survived the worst of it.

"Now that I've earned some playing time on the field, I feel a lot of different things. I feel like all the hard work has finally paid off and the struggles were well worth it. I feel thankful to the coaches for allowing me the opportunity to be a part of this team, thankful to the players for the family-like relationships that have developed, and thankful to God for giving me the strength to persevere throughout.

"One thing that I feel a walk-on develops in life is a desire to work hard to earn respect and other rewards. Because I've had an urgency to prove myself from the start and to take advantage of every opportunity given, I feel like that will stick with me for the rest of my life."

## 7-ON-7 PASSING TOURNAMENT

This tournament has developed into one of the most competitive in the Midwest as teams throughout Iowa and four surrounding states participated in last year's field. All teams are grouped into leagues according to the size of their respective schools. Every team is guaranteed a minimum of three games. Fourteen fields are in continuous use.

### Rules

- Length of the game is comprised of two 20-minute halves with a five-minute halftime. The clock is continuous.
- Each team fields seven players, including a center for the offensive unit.
- Playing field is 45 yards in length marked in 15-yard intervals, plus a 10-yard end zone.
- The offense has four downs to produce a first down or score. First downs are achieved by crossing a 15-yard interval.
- Scoring occurs in the form of touchdowns (6 pts.) and PATs (1 pt.). Teams can score on defense.

## YOUTH CAMP

The Panther Youth Camp is a great opportunity to start developing football skills. The UNI staff has two goals for each camper – to have fun and to improve on the basic fundamentals of each position. This is a non-contact camp with emphasis placed on teaching basic fundamentals and techniques. Each camper is instructed in both offensive and defensive positions. Campers have two practices each on two days and one on the final day.

# DON ERUSHA FOOTBALL LOCKERROOM

**As a tribute to a dedicated supporter of UNI football, the university would like to name the new locker room in honor of Don Erusha.**

Don Erusha began his football coaching career in 1953 as an assistant coach at West Branch High School. In 1963, Don came to the State College of Iowa as an Associate Professor of Physical Education. That same year, he began his collegiate coaching career as an assistant coach under Stan Sheriff. Don retired from coaching at UNI in 1977, but has continued to assist UNI football in various volunteer capacities for almost 30 years.

"In one fashion or another, Don has positively influenced a countless number of UNI football players. I can't think of anyone who wore purple and gold who wouldn't want to support this project in honor of Don Erusha!"

Randy Buchwald '77

UNI's current football locker room features lockers and carpet from more than 30 years ago. It is functional, but offers no area to recognize past players and friends, and is not particularly oriented towards facilitating teamwork.

The proposed locker room renovation will be much more inspiring to both current players and prospects. It will provide clear and concrete evidence that UNI greatly values its football program and is dedicated to its future success. With the open gathering area and spacious lockers, players will enjoy a professional team atmosphere. Whether returning after a win or loss, players will know their value when they walk into this locker room.

"A locker room should be where your players mentally prepare for their respective responsibility on the football field. It can play a huge role in the overall attitude of the team."

Coach Farley

For your contribution of \$1,000 or more, a finely-etched plaque in your name will be mounted on the locker of your Panther jersey number. It will include your name, position(s), jersey number and year(s) played while at UNI.

This is your chance to see your Panther legacy live on. Panther fans making a gift of \$1,000 or more will also be recognized and have their name displayed inside the locker room. Please consider making a tax-deductible gift today.

Artist's rendition of recognition plaque is smaller than actual size

## Why is the football locker room renovation important?

- **Utilization:** The locker room serves as a starting and ending point to a player's career. Without exception, this is the most used and respected area of any football program.

- **Team Building:** The locker room is a gathering place, where players develop the friendships that are critical to team chemistry and camaraderie.

- **Game Day:** The locker room is a place of motivation, both before the game and during half-time. Victory celebrations begin there.

- **Recruiting:** The locker room is a powerful recruiting tool and can create a "wow" factor for campus visitors. Parents and prospective players associate this area with UNI's commitment to the football program.

Help us give Panther football players the facility they deserve!

*"As the Head Football Coach of the University of Northern Iowa, I am forever proud of who I represent. Our football program is recognized across the country for its excellence.*

*Many people deserve to be recognized for creating our tradition. Former players, coaches and supporters have committed time and money to create the pride we all have in our association with Panther football.*

*The locker room renovation is a way that we can make a lasting impact on our program and a means that will recognize the past and enhance the future."*

## Interview Policies

The UNI Athletics Media Relations Office and the football coaching staff are eager to assist the media with player and coach interview requests. To help in this endeavor, it is asked that the media contact the Media Relations Office for all player and coach interviews. Players and coaches may be interviewed prior to or directly after practice during the season, but **requests must be made through the Media Relations Office ahead of time**. Phone 319-273-5456.

Coach Mark Farley also will be available at the weekly **Press Luncheons** held each Monday in the back room of Pepper's Grill and Sports Pub in Cedar Falls. Farley also is available by phone between 11 a.m. and 12 noon weekdays. Phone 319-273-5674.

## Press Credentials/Parking

All requests for credentials should be made at least **three days in advance**. Credentials are left at the Northwest Entrance Will Call window of the UNI-Dome. Passes are not mailed. **Only working press** will be assigned seats in the press box. Those media representatives wishing to purchase tickets are urged to contact the UNI-Dome Ticket Office (319-273-DOME).

**Parking** is available in the Wellness Recreation Center lot located north of the UNI-Dome on a limited basis, with overflow parking located in the campus lot north of the WRC. Only one parking pass will be available for specific media outlets.

## Press Box

UNI's working facilities are located on the east side of the UNI-Dome. Access is available at either the north or south end staircases. The press box is reserved for **credentialed** sportswriters, radio personnel, statisticians, team filmers, and home and visiting coaching staff. Scoreboard and public address personnel also are housed in the press box.

## Visiting Radio

**Permission to broadcast** must be secured at least two weeks in advance from the Athletics Media Relations Director at 319-273-5456. UNI operates a reciprocal "trade-out" system for opponents' lines. Each station will be allocated up to three seats and passes. The broadcast space is located at the south end of the press box. Only one visiting station or network (designated by the visiting team) will be granted broadcast space. The visiting station's phone number is 319-273-6491.

## Photographers

Working space for **television film crews** is limited. Cameras for working crews should be set up on the platform in the stands located just below the press box, while **team cameras** may be set up in the middle photo bay area in the press box.

## Professional Scouts

Professional scouts will be accommodated in the press box as space permits during regular-season games only. Each professional club requiring space should contact the Athletics Media Relations Office at least three days in advance for credentials. Credentials are not mailed, but will be left at the Northwest Entrance Will Call Window of the UNI-Dome.

## Press Box Services

Game programs, flip cards, complete statistics, and pre-game notes are provided at each Panther game. Two telephones are available post-game in the press box working area, but **it is advised that media bring their own telephone sets** if needed since numerous lines are available. Wireless internet and Ethernet connections are also available. A light meal will be served at halftime.

## Post-Game Interviews

Following the 10-minute cooling off period, Coach Mark Farley and requested players will meet the media in the Panther Room, located at the northeast corner of the arena, concourse-level. The UNI locker room is open following the 10-minute cooling off period. Every effort is made to have the visiting head coach available for interviews in the Panther Room following Coach Farley. Final post-game arrangements can be made with the visiting sports information director and those arrangements will be forwarded to working media.

# PANTHERS IN THE PROS

"THIS PROGRAM IS THE MOST IMPORTANT THING. IT WAS HERE BEFORE WE WERE HERE, AND IT WILL BE HERE AFTER WE LEAVE. RIGHT NOW, WE REPRESENT THIS PROGRAM AND THIS UNIVERSITY. WE REPRESENT THE COMMUNITY, WE REPRESENT THE STATE, AND WE WILL DO EVERYTHING THAT WE CAN TO PUT UNI FOOTBALL AT THE LEVEL WE'RE PROUD OF AND ALWAYS HAVE BEEN AT THIS UNIVERSITY. WHEN I'M TALKING ABOUT THIS PROGRAM, I'M TALKING ABOUT ALUMNI. THIS PLACE IS IMPORTANT TO THEM, JUST AS IT IS TO ME."
